Announcing The Greatest Miracle in The History of Revival Today!

THE MANDATE AND MISSION OF REVIVAL TODAY CHURCH

Be a part of a miracle!

1. WHAT IS THE PROPHETIC ROLE OF THE END-TIME CHURCH?

WHY HAVE A MEGA CHURCH?

Society has carved out what they believe to be an acceptable sized church. A small group of religious people who meet in a rented building on Sunday morning for 85 minutes. Certainly no more than 500 people on 2-3 acres maximum! Any Church who dares venture outside of these parameters has to answer the same skeptical question, "why does their church need to be so big?" During the lockdowns, many Christian leaders joined in with the enemies of the church. "Maybe God never wanted us to meet in big buildings. Perhaps the home was where we were supposed to be all along?" So which is it? Is a large building packed with people lifting up the name of Jesus a product of Western Capitalism? Or is it a function of God's scriptural mandate for the end-time church?

As we examine together why The Bible puts a demand on churches to be astoundingly large, I pray God uses this publication to light a fire in every Pastor, Evangelist, and Believer to be a part of this final thrust of God in the earth!

"IN THE LAST DAYS, THE MOUNTAIN OF THE LORD'S HOUSE WILL BE THE HIGHEST OF ALL—THE MOST IMPORTANT PLACE ON EARTH. IT WILL BE RAISED ABOVE THE OTHER HILLS, AND PEOPLE FROM ALL OVER THE WORLD WILL STREAM THERE TO WORSHIP. PEOPLE FROM MANY NATIONS WILL COME AND SAY, "COME, LET US GO UP TO THE MOUNTAIN OF THE LORD, TO THE HOUSE OF JACOB'S GOD. THERE HE WILL TEACH US HIS WAYS, AND WE WILL WALK IN HIS PATHS." FOR THE LORD'S TEACHING WILL GO OUT FROM ZION; HIS WORD WILL GO OUT FROM JERUSALEM" (ISAIAH 2:2-3 NLT).

“ NO, YOU HAVE COME TO MOUNT ZION, TO THE CITY OF THE LIVING GOD, THE HEAVENLY JERUSALEM, AND TO COUNTLESS THOUSANDS OF ANGELS IN A JOYFUL GATHERING. YOU HAVE COME TO THE ASSEMBLY OF GOD’S FIRSTBORN CHILDREN, WHOSE NAMES ARE WRITTEN IN HEAVEN. YOU HAVE COME TO GOD HIMSELF, WHO IS THE JUDGE OVER ALL THINGS. YOU HAVE COME TO THE SPIRITS OF THE RIGHTEOUS ONES IN HEAVEN WHO HAVE NOW BEEN MADE PERFECT ” (HEBREWS 12:22-23 NLT).

I remember coming to see the pastor of the world’s largest church, Bishop David Oyedepo, in Washington DC almost 10 years ago. The meeting was announced less than two weeks in advance. The first words out of his mouth were this: “God has sent me to America to announce that before Christ returns, America will be full of super-mega churches!”

The Bible gives us a picture of the end time church. Not as a weak, defeated shell of itself. But as the most prominent institution on planet earth! The largest churches in world history are being constructed right now. Should America be left out? Jesus is not coming back for a weak defeated church. He is coming back for a glorious church without spot or wrinkle!

2. WHAT IS THE BLUEPRINT OF THE BOOK OF ACTS?

“ THOSE WHO BELIEVED WHAT PETER SAID WERE BAPTIZED AND ADDED TO THE CHURCH THAT DAY—ABOUT 3,000 IN ALL. AND ALL THE BELIEVERS MET TOGETHER IN ONE PLACE AND SHARED EVERYTHING THEY HAD ” (ACTS 2:41 & 44 NLT).

Though the early church met house to house. The Bible also clearly tells us that all 3,000+ believers met together IN ONE PLACE. Paul preached in the largest auditoriums of his day. Small groups of Christians meeting together is not unscriptural, but the suggestion that large, continuous gatherings to hear The Word is an American invention, certainly is!

3. THE DOUBLE STANDARD OF SECULAR ENDEAVORS

It seems there is only one type of large building which remains controversial. No one would consider building a 200 seat baseball stadium. The construction of a 300 million dollar casino is celebrated. Grocery and hardware stores regularly build massive structures with acres of parking without a word of opposition. However, if any church wants to build anything past 500 seats on a 2-3 acre plot, it’s often treated by the media and city councils as if it were a jihadist recruitment center. “Why does it have to be so big?” is a question only asked of The Church. Growth and largeness is celebrated for sinful, secular endeavors and

treated as an unwanted anomaly for the institution which carries the greatest mandate in the world! Even many believers have spent so much time in public education and indoctrinated by secular media, that they actually share the same anti-church views as the enemies of The Gospel! IF THERE IS ANY ENDEAVOR ON EARTH WORTHY OF LARGENESS, IT IS THE MISSION OF THE CHURCH OF THE LORD JESUS CHRIST!

4. WARFARE BENEVOLENCE & MODERATION

As Prime Minister of Great Britain, Neville Chamberlain was tasked with confronting the threat posed by Adolf Hitler. Chamberlain chose to deal with him in a spirit of benevolence, eating with Hitler. Posing for pictures with Hitler. As we know now, this strategy was an abject failure because you can’t deal with someone committed to war with gentleness. For too long, the church has chosen to deal with Satan in a spirit of benevolence; taking half measures as if he is a sensible entity open to reason and fair play. Like Winston Churchill, The Church must understand that when you’re dealing with an enemy hell-bent on all out destruction, you must defeat him by employing a strategy of all out assault. No gentleness. Winning maximum souls. Freeing maximum captives, not a few. Building the church until the streets are empty on Sunday morning.

5. PRINCIPLE OF INCREASE

I once had a pastor tell me, “God has a plan for small churches too!” He was right. God does have a plan for small churches. To tirelessly win the lost, make disciples and become big churches!

The Kingdom of God is built on increase. First the blade. Then the ear. Then the full corn on the ear. There’s nothing wrong with starting small, but obedience to The Word of God produces supernatural increase—especially in the realm of church growth!

6. EASY FOR THE LOST TO ATTEND

A small church is intimidating for a sinner to enter. Crowds attract crowds. A large gathering is both attractive to an outsider and removes insecurity. A big crowd is conducive to effective evangelism.

7. MASSIVE CHURCHES CAN MAKE MASSIVE IMPACT

The finances involved to lease a stadium to do a week of evangelistic meetings or respond in a meaningful way to national crisis would take a small group of believers years to accomplish if they could do it at all. Small resources limit a small churches impact, which is a main reason Satan wants churches to remain tiny. Big churches command big resources and can, “abound to every good work!” Just as Christ intended.

8. A WALL OF RIGHTEOUSNESS

Covid revealed the hatred many politicians have for Christianity. When the church is small, wicked politicians are emboldened to advance demonic agendas in the city. A large church acts as a restraining force as no politician can risk turning a voting bloc of 20,000 people against them.

9. A STATEMENT TO THE NATION!

When the largest gatherings in a week are not for baseball, football or concerts, but to worship The God of Abraham, Isaac and Jacob, it makes a statement to the nation. People realize that the media’s attempt to paint righteousness as dying is a lie. Every Sunday they, and their enemies, see that The Church of The Lord Jesus Christ is still alive and strong!

10. NECESSARY TO SATISFY THE SPIRITUAL HUNGER OF THIS GENERATION

It is becoming ever clear that this generation is so hungry for God, His Word, and the demonstration of His power, that large buildings will be required to house the crowds coming in this last hour of time! Revival Today Tabernacle will be built to accommodate the thirst of men & women for Jesus Christ!

Will you be a part of this miracle?

I want to challenge you to do something. I've never made this challenge before. R.W. Schambach would often challenge people who would like to sow something large, but didn't have the funds. He challenged them to sow THE TITHE of what they were believing to sow in the future. One after another, people would respond. Then months later return with the full amount as God honored their affection for His Kingdom. We have now had 2 people sow \$1,000,000. Who will be the third?

Many of you would like to sow one million, but right now, cannot.
Sow the tithe of \$100,000 and watch what God does!

Many of you would love to sow your first \$100,000.
Sow the tithe of \$10,000 in expectation of a change of levels.

You've never sown \$10,000, but you can **sow the tithe, \$1,000 and believe for the seed to come in!**

GOD GIVES SEED TO THE SOWER! THAT IS AN **UNBREAKABLE SPIRITUAL LAW.** Watch what happens when you show, by action, **GOD, I AM A SOWER.**

REVIVAL IN PARKERSBURG

West Virginia

On night 12, I received the mic at about 7:45pm and finished preaching at 11:56pm. During those 4+ hours, I would estimate that less than 14 people left. Afterwards, I had everyone lined up for hands to be laid on them, and I prayed with 600+ people until well after midnight. This challenges the notion of “short attention spans” and “busy schedules” that are often mentioned when discussing church growth. Many teachings emphasize the need for services to be under 90 minutes to retain people. However, on most nights, our services lasted for 4 hours, and we saw a significant increase in the crowd. I don’t believe this is solely because of my preaching skills. It raises the question whether Christian leaders have made a fatal mistake by catering to the lukewarm and indifferent instead of focusing on those who are passionate and hungry for an encounter with the presence of God.

Pam H. Parkersburg, WV

Shared with permission: This is Pam Hall. She shared a testimony with me that brought tears to my eyes. When she was at her lowest, addicted and broken, she searched for “Baptism in The Holy Ghost Preacher” on YouTube. My video was the first result, and she began watching and dedicated her life to the Lord. She received the baptism in the Holy Spirit and was set free from addiction. Having never had a job before, she ordered the book “Financial Overflow.” Miraculously, she got a job as a temp, starting with sweeping and picking up trash at the Dixie (paper plates) factory. She worked her way up to running an entire division of the factory. Pam drove a long way to attend in person and say, “Thank you,” which brought tears to our eyes. There are people listening every day to the Word from Adalis, Kofi, and the rest of Revival Today who have no other positive voice in their lives. I want to express my gratitude to all 12,000+ of you who partner with us to spread the Word of God 24 hours a day. Your involvement is crucial in the business of saving precious lives.

MILLION DOLLAR CHECK TO DR. RODNEY

WHAT YOU MAKE HAPPEN FOR OTHERS GOD WILL MAKE HAPPEN FOR YOU

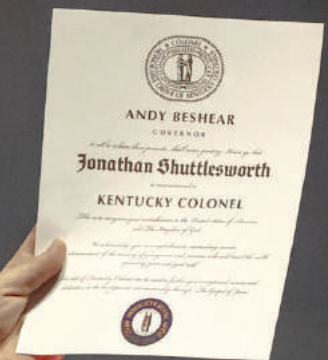

Million Dollar Check SOWN INTO REVIVAL TODAY

A woman unexpectedly flew into Pittsburgh and dropped off a \$1 MILLION check for Spite-A-Thon 3.0! Then, as we shared the testimony, people gave an additional \$111,000. In total, 1.1+ MILLION dollars, not pledges, came in one night for Revival Today.

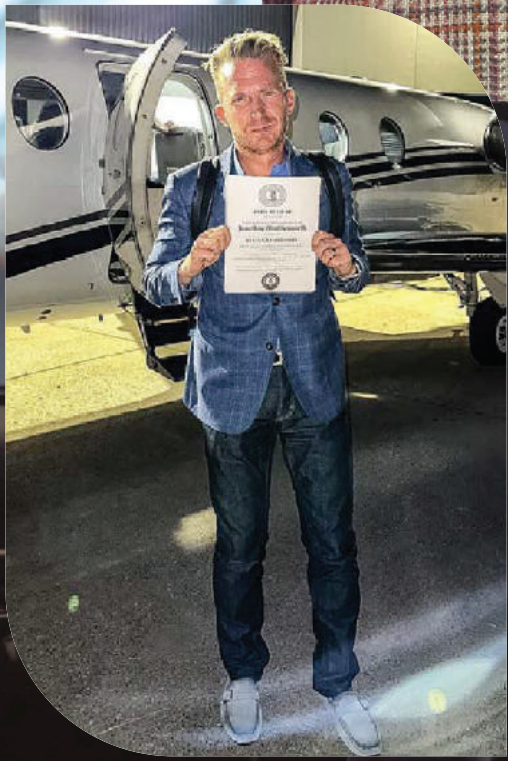

True prosperity celebrates what it gives above what it has received. Although God’s Word tells us in great detail about the extravagant luxury of Heaven, its central message is the sowing of Christ to mankind. It has always bothered me how many lavish givers there are to secular, animal, planet, and even evil endeavors, and how few 7 and 8 figure givers there are for the greatest cause in the world — the Great Commission — winning the lost, building churches, and snatching men’s souls from the fires of Hell. I told the Lord in my twenties, with about \$200, “As You increase me, I’ll give massively to Your Kingdom.” I won’t begin acting like I’m God, making preachers present their vision and grovel to show their worthiness to receive “my money.” I’ll release it as easily as I did my first \$20. What a journey ensued! The old Pentecostal adage: “If God can get it in your heart, He will get it in your hand,” is so true. Many Christians are unmoved by anything that moves the heart of God. But if you ever allow a passion to build churches and pay for soul-winning crusades to get in your spirit, you will become a money magnet.

In our giving journey, I began to notice that the return was very different based on the quality of the soil. If there ever was quality soil to sow our first million-dollar seed, it is Rodney and Adonica Howard Browne. Their tireless soul-winning has been an example and inspiration to Adalis and myself. They believed in us. He calls me at EVERY MEETING to see how it’s going. Who cares like that? When they laid hands on us in March 2011, our ministry immediately went to another level. He went to prison for the Gospel and basically created “The Stand” to keep me out of prison. I love him as a father in The Lord and as my friend.

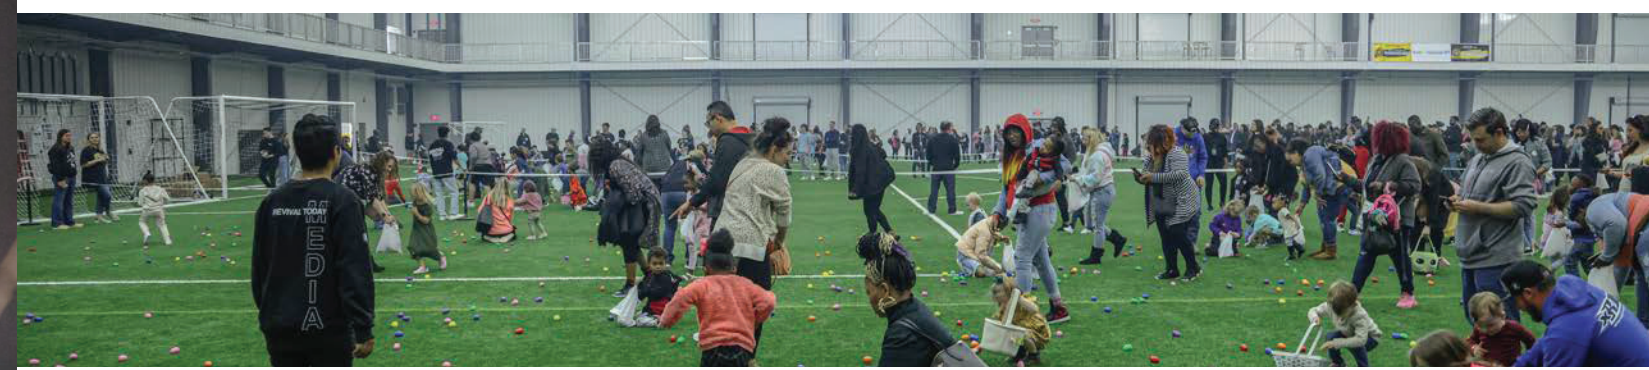

COMMISSIONED AS A KENTUCKY COLONEL

Evangelist Jonathan was commissioned as a Kentucky Colonel by Governor Andy Beshear "to recognize his contributions to the USA and the Kingdom of God." The Governor stated, "We acknowledge your accomplishments, outstanding service, and advancement of the training of young men and women who will travel the earth spreading peace and goodwill." I am simply stunned and grateful. Thank you, Governor Andy Beshear.

1,119 Registered + 358 Salvations

The greatest gift we can bring to Christ is the men and women He purchased with His own blood. Last year, when Bishop Dag Heward-Mills prophesied that God would give us the power to fill the 75,000 sqft, it seemed impossible. However, today that word has essentially come to pass! Easterfest Totals: 1119 registered and 353 salvations.

Revival Today Church is now 15 months old, and thousands are coming to hear the Gospel of Jesus Christ. Hundreds have already had their lives transformed by the blood of Jesus and the power of the Holy Ghost! We give God all the glory. This is a divine wind from Heaven. It marks the beginning of the end-time harvest of souls. This is revival!

If you are connected to this ministry, today is a day to celebrate! Together, we are changing the world.

Deborah, THE MOTHER OF ISRAEL

When we acquired this land in January, after prayer and fasting, Jonathan looked at me and said, "Are you ready? You're going to take the reins of this building situation." I never tried to convince him out of it and say, "I don't know anything about anything." I just said, "Yes, Sir," and I moved in the direction that I was supposed to move in. I petitioned in my heart to be a helper for Jonathan, because I don't know of an individual who works harder than my husband. I mean he really believes in his mandate; he really believes in going out to preach the Gospel and reach this nation before it's eternally too late.

During our time of prayer and fasting, I spoke with God and said, "God, if I'm going to take the reins, I also want to help financially, because I want to believe you for the increase. I want to believe you for this building to be completely debt free, so if you want me to go in that direction, please help me." I remember just praying about that, and then when I was hanging out with brother Jesse Duplantis and Cathy Duplantis, he started prophesying, saying, "You know you are going to have that building completely debt free, with money left over in the bank account." He said, "You're going to do it." He looked at me and he pointed at me. He then proceeded with, "It's easy." At this point, I'm all ears, and he shared how they built their building debt free, which was over 20 million dollars. He then said, "You can do the same. All you have to do is ask 10,000 people to sow \$1,000." I thought to myself, we don't even have 10,000 partners. However, I quickly found out that we actually have 14,000 partners! Which made me realize, oh my gosh this is feasible!

So now I'm like, okay I can kind of move in this direction, Father, but if you want me to move in this direction, and raise 10,000 people that are going to give \$1,000, I need a word because I'm not a flake. I am not going to tell people, "Come be a part of our 10,000 people—" No. I have to have a word and it has to make sense. I have to find it in the scripture. And the Holy Spirit said, "How about Deborah?" And I said, "Holy Ghost, no, we're not talking about Deborah. I'm talking about the 10,000 people that I need in order to get this building debt free, come on." Then He said, "Read it, Dummy." So I read it, and I want to share it with you.

"After Ehud's death, the Israelites again did evil in the Lord's sight. So the Lord turned them over to King Jabin of Hazor, a Canaanite king. The commander of his army was Sisera, who lived in Harosheth-haggoyim. Sisera, who had 900 iron chariots, ruthlessly oppressed the Israelites for twenty years. Then the people of Israel cried out to the Lord for help. Deborah, the wife of Lappidoth, was a prophet who was judging Israel at that time" (Judges 4:1-4).

Let me tell you something about Deborah. Do you know what that name means? Her name means, "A Honeybee." Her name means, "To speak out." What we understand about the quality of a honeybee is that they take care of the other people, and they're also not afraid to fight. Therefore, Deborah represents the Mother of Israel.

by Adalis Shuttlesworth

"She would sit under the Palm of Deborah, between Ramah and Bethel in the hill country of Ephraim, and the Israelites would go to her for judgment. One day she sent for Barak son of Abinoam, who lived in Kedesh in the land of Naphtali. She said to him, "This is what the Lord, the God of Israel, commands you" (Judges 4:5-6).

Now Deborah's beginning to prophesy, because not only did God raise her as a Judge, He used her in the prophetic. She was a prophet for the nation! That's huge! It's interesting when they describe her at first, it doesn't say, "Deborah, the Judge of all Israel." "Deborah the Mighty Prophet of God." It said, "Deborah, the wife of Lappidoth." She wanted that to be the first thing people knew about her. What I've understood throughout 17 years of ministry is there's a lot of women that want to be "Prophets," and they go out and tell everybody, "I am Prophetess so and so..." but they've been in six different marriages, or their family doesn't serve the Lord. It's important for you to do the basic things. Being in a healthy marriage and taking care of your family should be priority number one in every mother. You should have a house that serves the Lord. You should serve your husband. You should submit to your husband. I find it so interesting, that Deborah's first accomplishment is that she is married to Lappidoth. Let me tell you, I understand exactly what she's talking about, because that's a great feat in my life, I am married to Jonathan Shuttlesworth.

So Deborah's like, first things first, one of the hardest things that I could have ever accomplished is, I'm married to Lappidoth, and then I'm the Judge, and then I'm the Prophet. If you've been in marriage for a long time, you know that it takes courage, it takes guts to be in marriage, it takes having a heart of serving.

"This is what the Lord, the God of Israel, commands you: Call out 10,000 warriors from the tribes of Naphtali and Zebulun at Mount Tabor" (Judges 4:6).

All of a sudden the Holy Spirit's hitting me in the back of the head, and He's like, "Hello, this is it! 10,000 people." I said, "Tell me more," and continued to read.

"And I will call out Sisera, commander of Jabin's army, along with his chariots and warriors, to the Kishon River. There I will give you victory over him." Barak told her, "I will go, but only if you go with me" (Judges 4:7-8).

What you have to understand about Sisera and Jabin, is that they were harshly, harshly, harshly oppressing the people of God.

"In the days of Shamgar son of Anath, and in the days of Jael, people avoided the main roads, and travelers stayed on winding pathways. There were few people left in the villages of Israel— until Deborah arose as a mother for Israel" (Judges 5:6-7).

Not only was the enemy trying to kill and destroy Israel, but the enemy wanted to kill and destroy Israel's finances and livelihood, and the scriptures say that there were only a few people left in the villages of Israel. Therefore, life as we know it came to a complete halt for 20 years! People weren't dancing on the street, they weren't congregating, their kids weren't out playing. The Villages were in complete desolation... until Deborah arose as a Mother for Israel.

Deborah was God's voice to the Nations, she was a wife, and she was a Judge, the highest ranking citizen of Israel at that time. I want you to see the glimpse of what it takes to be a Godly woman, because all of these qualities God has placed in a woman.

To the women reading this, you are a woman of God!

Deborah knew how to bring balance to the house. A woman is the thermostat to a home, you are the glue to the home. If it's cold, everybody's cold and if it's warm, everybody's warm. you make a difference.

"Barak told her, "I will go, but only if you go with me." "Very well," she replied, "I will go with you. But you will receive no honor in this venture, for the Lord's victory over Sisera will be at the hands of a woman." So Deborah went with Barak to Kedesh. At Kedesh, Barak called together the tribes of Zebulun and Naphtali, and 10,000 warriors went up with him. Deborah also went with him. Now Heber the Kenite, a descendant of Moses' brother-in-law Hobab, had moved away from the other members

of his tribe and pitched his tent by the oak of Zaannim near Kedesh. When Sisera was told that Barak son of Abinoam had gone up to Mount Tabor, he called for all 900 of his iron chariots and all of his warriors, and they marched from Harosheth-haggoyim to the Kishon River. Then Deborah said to Barak, "Get ready! This is the day the Lord will give you victory over Sisera, for the Lord is marching ahead of you." So Barak led his 10,000 warriors down the slopes of Mount Tabor into battle. When Barak attacked, the Lord threw Sisera and all his chariots and warriors into a panic. Sisera leaped down from his chariot and escaped on foot. Then Barak chased the chariots and the enemy army all the way to Harosheth-haggoyim, killing all of Sisera's warriors. Not a single one was left alive. Meanwhile, Sisera ran to the tent of Jael, the wife of Heber the Kenite, because Heber's family was on friendly terms with King Jabin of Hazor. Jael went out to meet Sisera and said to him, "Come into my tent, sir. Come in. Don't be afraid." So he went into her tent, and she covered him with a blanket. "Please give me some water," he said. "I'm thirsty." So she gave him some milk from a leather bag and covered him again. "Stand at the door of the tent," he told her. "If anybody comes and asks you if there is anyone here, say no." But when Sisera fell asleep from exhaustion, Jael quietly crept up to him with a hammer and tent peg in her hand. Then she drove the tent peg through his temple and into the ground, and so he died" (Judges 4:8-21).

A woman did that.

"When Barak came looking for Sisera, Jael went out to meet him. She said, "Come, and I will show you the man you are looking for." So he followed her into the tent and found Sisera lying there dead, with the tent peg through his temple. So on that day Israel saw God defeat Jabin, the Canaanite king. And from that time on Israel became stronger and stronger against King Jabin until they finally destroyed him" (Judges 4:22-24).

Let me tell you the correlation of this story to modern day. Sisera is the oppressor, Sisera is the government. Sisera is the darkness that's upon this nation, and let me tell you that Deborah came to deliver the people of God. The final victory, the final person who destroyed the kingdom of darkness was a woman with a tent peg. Do you know how symbolic that is to a woman? Do you know how important you are to the world? I was going to say to the church, but even to the world. There has been so many demonically inspired women who've changed the course of this nation with abortion, with the feminist, "Let's burn our bras!" It's quite frankly single-handedly destroyed this nation! I can say that because I'm a woman, so relax. And so wouldn't it be like, that God would reserve a remnant in these last days to undo every form of wickedness that these woman demonically inspired have done! I want every woman reading this to say, "That's me!"

I want to give every woman something today by the spirit, you are not here by accident! You are here with purpose! There is a divine calling on the inside of you! You are stronger than you know!

I am so fed up with women who are insecure and feeble... "I just wish I had your security." I never had this until I met Christ! And it got stronger because I got in the Word, and then He began to tell me things I didn't know about myself. Do you know the Word of God is likened to a mirror? All of a sudden you're looking at yourself through the Word of God and you're saying, dang that's ugly. I shouldn't treat my husband like garbage. Why am I putting myself first in everything that I do? A lot of people don't want to talk about submission, especially in America because, "I'm a female, hear me roar!" But I'll tell you there's nothing more beautiful than being submitted to your husband.

So Sisera is the oppressor, and God has reserved this woman Jael to stick a tent peg through Jabin's temple. And so I looked up this word Jael because I wanted to know what it was and you know what the word Jael in Hebrew means? "To profit or to be of practical use." Every woman is to be used of the Lord. Every one of us should be at the feet of Jesus, asking Him what is it that you want me to do. I'm sick of women (especially in Christianity), just waiting for the man to do something... "Well when my husband gets saved then we can really start faithfully—" No, start now. You have it in you! God has equipped you!

One of the scripture verses that I've been meditating on is that... there is no longer Jew or Gentile, slave or free, male and female. That hit me, because

for 10 years I refused to get up and say anything with a mic. I convinced myself for 10 years that I'm not equipped to preach. But I remember when I was 16 years of age that God gave me a dream that I was in a pulpit and I was preaching, and I thought, Oh my gosh, could this be? I remember seeing this lady when I was at Wellesley Park Assembly of God in Wayland, Massachusetts. Her name was Deborah Mantenuto. Isn't that funny? Deborah was this cute little Italian lady, and very unassuming. She was talking about cannolis and her obsession with cannolis and she was just winning the crowd over, because in Boston there's this thing called Mike's Pastry, and everybody goes to Mike's Pastry for the cannolis. All of a sudden she starts preaching and it seemed as though a giant stepped in her place, her voice changed, and I remember there was one pastor on staff that annoyed me (just between you and I). She pointed at him, called him out and said step into the aisle. He was one of those, "Woman don't really belong anywhere else but the kitchen," type of people and he would say it. So she pointed at him without knowing who he was and that he was a pastor. She told him to step out and she began to prophesy, giving him a word. She just pointed at him and began to walk toward him. His eyes were closed and he literally went from one point all the way to the wall, with his eyes still closed. It was like someone grabbed him, and threw him into the wall and he fell down. It was the greatest thing I've ever seen. I'm like, get him God, punch his face, kick him! Didn't happen but... Deborah Mantenuto really inspired me, at 16 years old. I was like, man, I've never seen a woman do that. I want to do that, and the Lord heard my cry. All these years later, I'm married, I'm pursuing the call into ministry, and I'm scared to death to go in front of people. Why would anybody listen to me? Jonathan's here. He's way better at this. But the thing is, God has given us a mandate to go and preach the gospel to everyone, everywhere. It's not just the minister that's supposed to call people into the church, that's supposed to preach the Gospel to everyone, everywhere. You have a part to play, male and female.

When we get to heaven, we have to stand before God the Judge and give an account to what it is that we did here, and what the heck were you doing. People are so busy doing nothing, and I know, especially you women, you've got kids and every one of them, plays softball or basketball, whatever, and you're constantly in the car... that's a great ministry but don't forsake the first thing, your love for God. The impact that we're supposed to have on this nation falls on your shoulders, and that's the problem, everybody's been waiting for a "savior" when God says, I've put something in you to do.

I was close to dying once. I was in a hospital bed, and I lost a third of my blood, I felt my spirit lift from my body, and I was hovering over my body and thinking... Oh my gosh, this is it, this is where we part... I'm done. And you know, during that time, I wasn't thinking about Jonathan. I thought of how I have to stand before the Judge, the King of Kings, and the Lord of Lords. The Bible says that He's thrown away all sin, so He's not going to bring up the things that I've done wrong or sinned, because the Bible says as far as the East is from the West, that's how far He's forgotten the sin. As a Believer, there's a different kind of judgement called the Bema judgment, where we have to go and present our works to God, everything He's called us to do, we have to say, "Here it's at your feet, I place it at your feet. This is my sacrifice, my life for you. That's the very least I can do, is present myself as a sacrifice to you for everything you've done." And He's going to look at it and say, "Well done." Or He's going to look at it and say, "What the heck happened?" And I remember being in a hospital bed thinking to myself, I have to come up with a really good excuse as to why I'm not preaching the gospel and I just began to beg God... "God give me one more chance, one more chance, if you give me one more chance I promise I'll do what you've called me to do." It was that pressing! I wish that everybody would go through that, but I don't wish death upon anybody. I wish that you would have a kind of experience with God, that would get you acquainted with what you're call and purpose is, and how important it really is. For it was then that I realized I have to do it, I don't care what anybody says, how many people are looking at me, I am doing what God has called me to do! I know my place and I'm not going to come empty-handed before my King!

The darkness abides. In Target now they've got a whole Pride section. This is crazy because back in the 80s, you didn't do that, you had respect and reverence for your family, you had respect and reverence for God, now that's all out of the window! But we as the people of God are pushing back the darkness. We are what's standing in the way from this dark agenda to consume this nation! Say, "I'm stopping what's out there!" Yes you are!

Now look, Jael means, the useful one, and she used a tent peg. I thought, why?

Why the tent peg, God? And He said for me to look at **Ephesians 2:19-22... Now, therefore, you are no longer strangers and foreigners, but fellow citizens with the saints and members of the household of God, having been built on the foundation of the apostles and prophets, Jesus Christ Himself being the chief cornerstone, in whom the whole building, being fitted together, grows into a holy temple in the Lord, in whom you also are being built together for a dwelling place of God in the Spirit.**

Do you know the significance of the Temple? It's the House of God. Therefore, I thought, wow yes! If you know anything about cornerstones in the ancient times, they would build this big block, and it would be quite literally the Cornerstone of that building and they'd build the building around that one stone. So, if that one stone was faulty, everything was going to collapse. Jesus is telling us, "I'm the cornerstone of this house, and this house will not collapse, and you are a part of this house!"

"My anger is kindled against the shepherds, and I will punish the goatherds. For the Lord of hosts will visit His flock, the house of Judah, and will make them as His royal horse in the battle. From him comes the cornerstone, from him the tent peg, from him the battle bow, from him every ruler together. They shall be like mighty men, who tread down their enemies in the mire of the streets in the battle. They shall fight because the Lord is with them, and the riders on horses shall be put to shame" (Zechariah 10:3-5).

Jesus is the tent peg!

I looked up the word tent peg and it's defined as, "One who consolidates or upholds the political Constitution."

Are you getting this? One who upholds the political Constitution. Do you see how significant it is to be a believer in these last days? You are what's pushing back the agenda of the enemy. The agenda of the enemy is to close down the Church of Jesus Christ. He hates you and he hates the gathering of the Church. But you can bring honor to the name of Jesus, and you can do your part. Jesus is the tent peg to destroy everything of darkness out into this world, and you have a part to play!

You might be from the tribe of Zebulun or Nephtali. Even the two tribes that Deborah had called to action is significant with what we're doing today. Zebulun represented trade and commerce, the business people of the 12 tribes of Judah, the workers. Then there's another group, it's called Naphtali, they represented, possessors of the land. Every one of us, just like it was with this year's prophetic word on this church, we are to possess the land, male or female, we possess the land. If you're a business person, if you have a job, you have a part to play in this war and there's a call to action today.

The call to action is to stand up and fight for this Church. In these last days, things aren't going to get better, things are going to get a heck of a lot worse for the people of the world. But not for us, because we are not of this world! We are from another Kingdom. We are Ambassadors of Heaven, and what happens out there cannot touch God's people. That's why we have to have a strong church built for the Lord in these last days! The Lord spoke to Jonathan, "Build me a strong Church!" And that's exactly what we endeavor to do.

I believe the women in these last days are going to stand up, and let me tell the woman reading this, you have a voice and it's stronger than anything out there! We need you to rise to the occasion! We need you to stand in the gap of everything that's wicked in this nation. We need you to be a good mom and raise Godly men and women. You have to make up your mind that you're not just going to be baking cookies, you're not just going to be wiping snot from kids noses. I want you to determine in your heart, I have a place in this end time Army, and I will fulfill everything God has told me to do.

Please don't come up with an excuse and say, "I just... I struggle with..." No! You don't struggle with anything! Think of soldiers in war. Do you think while they are in battle, they are talking about the woes of the day? They've got their AK-47s and their backpacks. They're not like, "Johnny, I just really suffer from insecurity. I know we're going to blow Al Qaeda's head off, but I'm just telling you right now, I just don't feel like 100%... you know what I mean?" No! Focus on the end-time Army. Focus on what you're called to do

and every one of those things will fade away, every one of your insecurities and those things that you feel like you're not strong in, will fade away.

I want every woman reading this to say this, "I have a part to play. I am strong. I am a woman, and God's called me in these last days to do a great thing in my family, in my job, and in this nation! I will rise to the occasion like Deborah did in the mighty name of Jesus!"

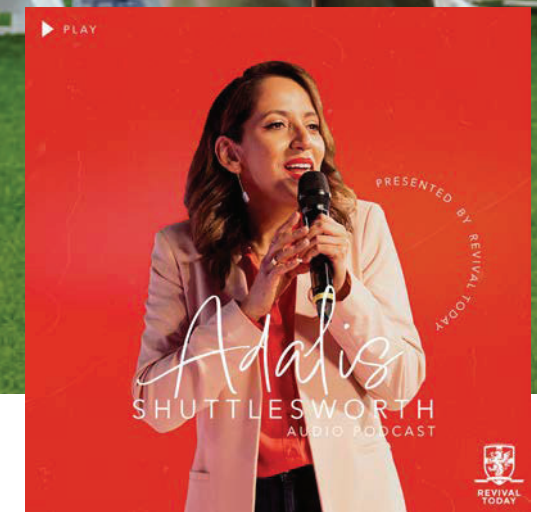

Arise Deborahs! There was desolation in the street, there was darkness in the street, but from that, the Mother of Israel arose. She rose to the occasion!

Don't worry about your kids. Throw yourself into the Word. Once you develop the Word on the inside of you, you have no problems. The world might think you have problems, but your faith says, "Everything's fine because I'm following the Mandate that God has placed on my life. I will do what He has called me to do. As for me and my house, we shall serve the Lord!"

Don't be discouraged saying, "I'm ugly." Shut up! "I'm too fat." Shut up! "I'm too skinny." Zip it! You have been called for such a time as this. We are the last generation! This is the last generation before the coming of Jesus Christ. That's it. We're it. And you know, God has never saved the scraps for the end. In fact, the very first miracle that Jesus ever did was when He multiplied wine at a wedding. The host said to the bridegroom, "Wow, you saved the best for last!" That's exactly right! God has saved you. He has put His fingerprint on this generation and He said, "You're the best of the best!" You are part of this battle. You are part of this Army.

I want you to prayerfully consider being a part of this Army of 10,000 people who will give \$1,000 to the establishment of the church. You can partner with Revival Today Church and give \$1,000. Or, if you don't have \$1,000, you can sign up to give \$84 a month for 12 months.
