

The Coaching Circle

LEARNING OUTCOMES:

- ✓ Gain actionable, job-embedded knowledge, skills, and instructional strategies
- ✓ Overcome key challenges to design powerful learning experiences for all students
- ✓ Be prepared to step into a teacher leader role to support others in growing their capacity

SUPPORT	TOPIC
CHALLENGE ASSESSMENT	A challenge assessment is used to identify and understand two key challenges to focus on throughout the cohort.
1:1 SESSIONS	Each teacher will receive 1:1 live personalized support sessions from their dedicated Coach.
GROUP SESSIONS	Interactive group coaching sessions will be held to dive deep into the key challenges and participants will gain new instructional strategies to grow capacity, refine their teaching practice and collaborate with colleagues to create learner centered classrooms.
GOAL TRACKING	A goal and outcome tracking system will be introduced to participants in 1:1 sessions to track progress and growth over time.
SCHOOL LEADER SESSIONS	School leaders will also receive support sessions from their dedicated Coach to review challenges, progress and outcomes.
