YOUR GUIDE TO SOURCING A COSTUME
ON ANY BUDGET

ONLINE
AND
LOCALLY IN DENVER/BOULDER COLORADO

A woman with dark skin and hair is the central figure, wearing a vibrant sari with a complex, colorful pattern. She is adorned with a traditional headpiece featuring a blue tassel and a necklace. The background is a soft, out-of-focus landscape with a warm, golden-brown hue. Overlaid on the image is a large, thin, light-colored circular frame. Scattered throughout the frame are numerous white, four-pointed starburst shapes of varying sizes, creating a magical or celestial atmosphere.

MY FAVORITE PLACES TO FIND
COSTUME PIECES ON THE
WORLD WIDE WEB

SWEET-V CROWNS & JEWELRY

www.sweetv.com

These are, hands down, the best crowns for the price on the internet. They're affordable, durable and stunning. I don't think I've ever paid more than \$30 for a crown, I've never had one break or get damaged (I am less than gentle with them sometimes) and they have a style for pretty much every occasion.

MPARDO COUTURE

www.etsy.com/shop/MPardoCouture

If you're looking for unique costume pieces and have a few extra dollars to spend, I highly recommend spending them in Marta's Etsy shop. Her creations are so beautiful and versatile. I was lucky enough to photograph one of her headpieces in person and it was absolutely gorgeous.

NETGO WIGS

[Netgo Amazon Shop](#)

This company only sells on Amazon but if you're looking for a good wig and you don't want to drop a ton of money, these are great. They come in a ton of colors, they look nice on camera and they won't break the bank. I've never done much more than trim the bangs and braid parts of them but they're also easy to work with.

SPEAKING OF AMAZON...

I probably don't need to tell you they have everything.
Gowns, crowns, swords, jewelry, you name it.

* Just be wary of the quality and seller ratings*

I suggest looking under the Buy Now button before making your purchase to see if the item ships from Amazon. If it's not shipping from Amazon, I would highly recommend clicking the Sold By link to make sure the seller has good reviews and they honor their return policy.
Amazon does a pretty good job of weeding out the scammers but they're definitely out there

One other Amazon Fave!

It's not really fantasy related but I can't live without
KISS lash glue.

**You can find it in stores but the inventory is more consistent on Amazon.
They also have super cute press on nails!**

I use it to attach things like jewels and goldleaf to skin. It does also work great for false eyelashes. Their press on manicures are fantastic if you're in a pinch or on a budget. They're easy to apply and come in a good variety of shapes, lengths and designs.

MY TOP 3 STORES IN THE
DENVER/BOULDER AREA

A person wearing a long green cloak stands with their back to the camera, looking at a waterfall cascading over rocks in a rugged, mountainous landscape. The scene is dimly lit, suggesting dusk or dawn, with mist rising from the base of the waterfall. The overall tone is mysterious and magical.

CRIMSON ROSE MASQUERADE

I HAVE AN INCREDIBLE GREEN CLOAK THAT CAME FROM CRIMSON ROSE MASQUERADE IN DENVER. IF I HAD A BOTTOMLESS BUDGET FOR COSTUME PIECES, I WOULD BE CRIMSON ROSE'S BEST CUSTOMER. THEY HAVE SO MANY GORGEOUS VINTAGE STYLE PIECES!

WIZARD'S CHEST

I ALSO LOVE WIZARD'S CHEST IN DENVER. IT IS SUCH A COOL STORE WITH WIGS, WANDS, CORSETS, FAKE WEAPONS AND A MILLION OTHER COSTUME PIECES. THEY ALSO HAVE TOYS, GAMES AND NOVELTY ITEMS.

THE RITZ

IF YOU'RE LOOKING FOR SOMETHING A LITTLE FLASHIER AND FUNKIER, CHECK OUT THE RITZ COSTUMES IN BOULDER. IT'S THE PLACE TO GO IF YOU WANT SPARKLES, BIG HATS AND EVEN THEATRICAL STYLE CHARACTER COSTUMES!

A woman with red hair tied back, wearing a black leather jacket, is looking towards the camera with a slight smile. She is standing in front of a blue brick wall with colorful graffiti. The text is overlaid on the top half of the image.
