

Elopement Planning Checklist

THE ULTIMATE ELOPEMENT CHECKLIST

Adventure & Vows

Your elopement. Your adventure. Your way.

Hi there! Thank you so much for downloading this free resource! I hope you find it helpful when it comes to planning your amazing, adventurous, and joyful elopement!

Please know that this checklist is just a guide to help couples think of the details that they may want to include in their day. You by no means have to include every single thing on this checklist to make your elopement special. At the end of the day all you really need is the two of you, your love, your vows to each other, and eventually a marriage certificate (but all these details don't hurt either!)

These details help couples create an amazing elopement experience that is all their own and authentically them.

So, have an amazing time planning your elopement day and enjoy this checklist to help you plan out the details that will make your elopement day an exciting, joyful, and authentically YOU experience!

Cheers,
Jenna
