Touch up styles

- ☐ Blow dry just the ends to polish
- ☐ Grab a large curling iron and curl the mids to ends using large sections
- ☐ Spray the surface near the part with water and dry for a less oily result
- ☐ Use a wave spray to reset the natural curls
- ☐ Take a smaller round brush and style the mohawk region and cool with velcro rollers | Spritz with hairspray
- ☐ Dry shampoo the roots and apply leave in cream on the ends
- ☐ Use salt spray to give texture to any wave. Touch up randomly with iron:
- ☐ Suncatcher leave in | Chainmail heat protectant
- ☐ Shampoo just the bang or front scalp area | Rinse and blowdry
