BEST TIPS FOR A SMOOTH MOVE

PACKING UP

NUMBER YOUR BOXES

Number each of your boxes and keep a list of what's in the box. This will make finding necessities a breeze once you're in your new home.

EMERGENCY ESSENTIALS

Be sure to pack a separate bag for the must-have items to unpack! See list below.

NEED HELP?

Packing and moving isn't the easiest task. Luckily, there are professionals that can help!

UTILITIES

Call and set up your utilities! There's nothing worse than not being able to take a shower after moving all day. Check out the utilities guide to know who to call!

MAILING ADDRESS

Change your mailing address with USPS. When you do it online they give you some great discount codes - so you can grab that new couch from Crate & Barrel!

UNPACKING MUST-HAVES

Being prepared to unpack can keep you from feeling frustrated. Be sure to set aside your unpacking essentials so they're easy to find. See my top picks for unpacking right here!
