Poem of the
Month

Dear Families and Friends of St. Peter the Apostle Catholic School,

It is with great joy that we begin the month of August—the month in which our school will truly come to life! The campus is already buzzing with anticipation as our dedicated teachers prepare thoughtful and enriching lessons for their students. I've heard from many of you that uniforms are arriving, supplies are neatly packed, and—most importantly—children are filled with excitement for the new adventure ahead. What a profound gift it is to embark on this journey together as a school community!

As this is our first official newsletter of the school year, I'm delighted to introduce two special features that will appear in each monthly edition: the **Virtue of the Month** and the **Family Faith Challenge**.

Each month, our entire school will focus on cultivating a particular virtue. This virtue will be introduced during our morning assemblies, woven into classroom life, and celebrated as students demonstrate growth in character. School families will also receive login access to our virtue curriculum so that they can engage with the same resources at home if they choose.

In addition, each month will bring a **Family Faith Challenge**, a simple and meaningful way for families to grow closer to one another and deeper in their faith. We invite you to take part in these challenges together and to send photos of your family living them out at home. These pictures will be featured on a special bulletin board in our school hallway and may appear in upcoming newsletters as a celebration of our shared mission.

Principal, continued on page 2

We are so grateful to partner with you this year. May the Lord bless these first steps of our journey together!

In Christ,

Ms. Brintnall, Principal
St. Peter the Apostle Catholic School

Family Faith Challenge

Family Dinner

Family dinner is a treasured tradition that helps families strengthen relationships, practice gratitude, and simply enjoy one another's presence! This month's challenge is to make family dinner a priority in a new way.

If your family rarely eats dinner together, pick 1-2 days per week and commit to eating around the table those nights each week for the month of August.

If your family already eats dinner together each night, reflect on how you can make this time more intentional (ex. no phones at the table, begin with prayer, have kids help cook, have everyone share how they have seen God at work that day, etc.). Incorporate your idea into your family dinner routine!

Decide what your family will do to make family dinner a habit this month and enjoy the new memories you create together! Don't forget to share some great photos of all the smiling faces around the dinner table! Email photos to: bulletin@stpetersboerne.com.

Prayer before Eating

Bless us, O, Lord
and these thy gifts,
which we are about to
receive,
from thy bounty,
through Christ our Lord.
Amen

Virtue of the Month – Orderliness

Orderliness most directly means keeping oneself physically clean and neat and one's belongings in

good order. Externally, we practice orderliness by caring for our appearance, maintaining clean and organized spaces, and establishing consistent routines. Tasks such as making our beds, waking up at a regular time, brushing our teeth, and keeping our belongings in their proper place are simple yet powerful ways to grow in this virtue. Though the school year is still a few weeks away, now is a perfect time for students to begin cultivating these habits at home!

However, orderliness also has a deeper, interior dimension. Beyond the physical world, we are called to order our hearts and lives according to what matters most. Many good things— family, work, hobbies, sports—can shape how we spend our time. Yet above all, our lives are meant to be ordered toward God. When we begin each day in

prayer and place God at the center of our routines, everything else finds its rightful place.

*Prayer for Orderliness:**

Oh Infinite Beauty, in Your wisdom, You created all things with perfect order. Orderliness brings peace, beauty, harmony, and joy! Please help me to keep order in my own life so that I may respect those things.

*Orderliness Looks Like:**

- Making your bed neatly
- Organizing your dresser drawers
- Throwing your garbage away
- Cleaning your room
- Brushing your teeth

*Orderliness Sounds Like:**

- I made my bed.
- I organized my dresser drawers.
- We threw that garbage away.
- I put my things away. I cleaned my room.
- I brushed my teeth.

“Hope” is the thing with feathers

by Emily Dickinson

“Hope” is the thing with feathers -
That perches in the soul -
And sings the tune without the words -
And never stops - at all -

And sweetest - in the Gale - is heard -
And sore must be the storm -
That could abash the little Bird
That kept so many warm -

I've heard it in the chilliest land -
And on the strangest Sea -
Yet - never - in Extremity,
It asked a crumb - of me.

The church has always held to the belief that Mary was assumed, body and soul, into a heavenly state, even though the belief was not declared as dogmatic until 1950. The early church had a robust tradition of revering relics from the saints of the day, and their complete lack of relics from the Mother of Jesus was seen as evidence of this Marian belief. The celebration of the event as a feast dates back to the fourth century in the East and the seventh century in the West.

Since Mary was untouched by the stain of sin, she was unable to experience the "wages of sin," which is death. But her Assumption also says something about humanity as well. Sin only has power over us if we allow it. Mary was freed from this power in her Immaculate Conception, and when she responded "yes" to God. We were freed from that power when Jesus died and rose, conquering death. Now, we must respond "yes" to claim the victory that was already won for us. On this feast, we should not only celebrate the great works God has done for us through Our Lady, but also celebrate the truth that we have the opportunity to one day spend eternity with her and her Son, Jesus.
