### PARTY PERKS

It's party time! When a customer throws a party, they are able to earn free products based off of sales from that party. Additionally, as an Artist, you can create your own party and earn free products as your customers place orders. It's just one more reason to get excited about sharing Seint with everyone you know!

## **GETTING STARTED**

### STEPS FOR FAST AND LASTING SUCCESS

At Seint, we want you to have all of the tools you need to start strong and establish a foundation for lasting success. To help you get the most out of being an Artist, we've mapped out the five steps you should take within the first month of getting started.

### COMPLETE AN ARTIST APPLICATION

This is a legally binding agreement between you and the Company that covers your rights, duties, and responsibilities and those of the Company. This is vital and necessary information. The Policies & Procedures manual is an extension of this Agreement and should be read carefully.

### PURCHASE AN ARTIST KIT

Our Artist kits contain the retail products and sales materials you need to kick-start your Seint business.

#### OUESTION: ARE COMMISSIONS PAID ON ARTIST KITS?

Answer: Commissions are not paid on Artist kits, because we want to make sure that when choosing Artists to sponsor you are choosing those who you feel would be the right fit to become a Seint Artist. We put more reward on making sure they are successful going forward instead of being compensated only on signing them up. Not issuing commission on the Artist kits is also the reason we are able to offer such a discounted price! Artist kits will count toward your first 640 Accumulative CV in reaching ARTIST II.

#### USE TOOLS

We provide the tools necessary for sales and presentations. Utilize these—they were created solely to make your life easier. To get started, simply watch the training application videos.

### GET TO KNOW & FALL IN LOVE WITH THE PRODUCTS

The more you love and utilize Seint products, the easier they'll be to share. Get comfortable with applying makeup to as many different faces as possible. The more you practice, the more confident you'll become.

### START SHARING

Organize your own personal launch party and invite all your friends and/or do a social media live or post a video of putting on your Seint makeup.

## **ENHANCED RETAIL COMMISSIONS**

## THE FOUNDATION OF YOUR SEINT BUSINESS

The foundation of your Seint business is selling products to both new and existing customers. When you lead and share via social media (or host an event), you share your enthusiasm for the products, take orders to be fulfilled by the company, and develop lasting customer relationships. All Seint products have a Retail Price (SRP). Artists may purchase products at a "Wholesale" price that is 20% less than the SRP. This difference between the SRP and the Wholesale price is called a Base Commission.

<sup>\*</sup> ACTIVE: In order to be active, you must reach 240, 480, or 720 CV (depending on your rank) in a calendar month.

<sup>\*\*</sup> ACTIVE LEG: This is defined as a downline with at least one active ARTIST II or above.

<sup>\*\*\*</sup> TOTAL GROUP COMMISSION VOLUME (TGCV): This is the total CV created by you and all your downline Artist teams in the sponsor genealogy calculated to infinite depth. This TGCV is used to calculate various forms of qualification for earning new rank promotions and rank maintenance in various phases of the Compensation Plan. It is sometimes subject to the 40% Rule.

### LOOKING FORWARD

As you fall in love with the Seint products and begin sharing them with others, you'll attract others to your team, helping you to grow your organization and advance in rank, which can open the door to bigger bonuses, greater incentives, and the chance to make a significant impact in the lives of those within your sphere of influence.

# ARTIST-IN-TRAINING BONUS

### EARN WHILE YOU LEARN

As a new Artist, you can earn while you learn. As soon as the company has accepted your application, you will become an Artist-in-Training and be eligible to start earning the 20% Base Retail Commission. During this training period, you will be working towards your first 640 in commission volume (CV). Once you have sold your first 640 CV, and become Active for the month, you are officially out of training and can earn more than 20% commissions.

It is important that you remain active and graduate from your training period by reaching the rank of ARTIST II or higher so you can become eligible for the Artist-in-Training bonus by signing up people underneath you. This is a bonus you earn for training those new Artists you personally enroll, as you are being compensated for taking care of them.

# **ENROLLER BONUS**

GET REWARDED FOR SHARING WHAT YOU LOVE

Enrolling new Artists is an important step in your Seint journey, and you'll be rewarded as you take care of and educate those new Artists you are sponsoring. Every time you enroll a new Artist, you also begin receiving an ongoing 5% up to 7% CV Enroller Bonus on that Enrollee's entire Personal CV, for as long as you remain personally "Active." This bonus is paid monthly. Please note that this is only a bonus for level one Artists you've personally enrolled.

## LEVEL BONUSES

## YOU BUILD, THEY BUILD: LIFTING OTHER ARTISTS FOR MAXIMUM SUCCESS

By helping your own team of Artists learn to gather customers and build their teams, you support their success while you develop depth in your organization. Seint compensates you for building depth by paying you through up to five levels of Artist sales volume in

your organization. The term "Level" is used to describe your relationship to the other Artists. When you sponsor someone, that person is your Level 1. When that person sponsors someone, the new Artist becomes your Level 2, and so on.

# PERSONAL LEADER BONUS

LEAD THE WAY TO A BRIGHTER FUTURE

When you become an ARTIST VII, you'll qualify for the Personal Leader Bonus. This bonus is just that—a bonus—and does not affect what you're already paid through the compensation plan. As an ARTIST VII, you've proven yourself as a leader and will begin making 2% CV on your entire Personal Leader Group.

RANK	QUALIFICATIONS	BONUS
ARTIST VII	• Active* (Reach 720 CV in qualifying month) • 5 Active Legs** in qualifying month :: 1 must be Artist V or above :: 1 must be Artist VI or above • 20,000 TGCV***	2% CV
ARTIST VIII	• Active* (Reach 720 CV in qualifying month) • 6 Active Legs** in qualifying month :: 2 must be Artist VI or above :: 1 must be Artist VII or above • 40,000 TGCV***	2% CV
ARTIST IX	• Active* (Reach 720 CV in qualifying month) • 7 Active Legs** in qualifying month :: 3 must be Artist VI or above :: 1 must be Artist VII or above :: 1 must be Artist VIII or above • 80,000 TGCV***	2% CV

# **GENERATION BONUSES**

ACHIEVING LIFELONG PROSPERITY

When you help an Artist in your downline achieve the rank of ARTIST VII, their Personal Group comes out of your Personal Group and becomes your 1st Generation. Your new ARTIST VII will begin receiving the 2% CV Personal Leader Bonus, and you will now begin receiving a 3% CV Generation Bonus on that ARTIST VII to unlimited depth. When an ARTIST VII under your 1st Generation reaches the rank of ARTIST VII, they'll become your 2nd Generation, and so on. This bonus continues through your 3rd Generation.

	ARTIST VII	ARTIST VIII	ARTIST IX	ARTIST X
1ST GENERATION	3% CV	3% CV	3% CV	3% CV
2ND GENERATION		3% CV	3% CV	3% CV
3RD GENERATION			4% CV	4% CV

## **COMPRESSION**

If an Artist under you decides that Seint isn't the right fit for her, or that Artist doesn't make any sales that month, you will lose that enroller bonus with that Artist. However, you don't lose your level 1 bonus CV because of something we call Compression. If your level 1 Artist makes no sales within the month, your level 2 Artist will then move up and become your level 1 Artist and your level 3 will become your level 2. If your original level 1 Artist comes back the next month you get your enroller bonus back and she takes her place again at level 1.

## **40% RULE**

No more than 40% of the TGCV goal can come from one leg of your downline. This ensures that you are taking care of all of your sponsored Artists, not just a select few. Let's say you are trying to qualify as an ARTIST III. As an ARTIST III you have a TGCV goal of 800, so your strongest leg will only count up to 320 to meet the required goal, even if that particular leg has over 320 CV in sales that month. You are also considered a leg as well, but no more than 320 CV from your own sales will go towards that TGCV. Again, it's important you are taking care of your entire team and building outward instead of just focusing on yourself or one leg.
