

Stone Crop Hydrating Gel \$65

Succulent stone crop gives the skin instant, deep-penetrating moisture that leaves skin with a smooth matte finish. This hydrating gel will soothe, heal, and even skin tone to minimize the appearance of fine lines and pigmentation.

Stone Crop Serum \$55

Look years younger after one application of our Stone Crop Serum. This intense hydrator relieves the appearance and signs of aging as you benefit from its super antioxidant benefits.

Lilikoi Defense Face Primer \$70

This is a mineral primer which means that it has a physical sun barrier (SPF), and is perfect under makeup! Because this product includes that SPF, you may want to use one of our toning mists to help spread it on the skin as it is a bit of a thicker consistency.

Mangosteen Resurfacing Concentrate \$70

You can use this product as a moisturizer in the morning or evening OR before your moisturizer. Mangosteen is a natural lactic acid which means that it is amazing for anti-aging, pore-shrinking, and hydration.

Lavender Age Corrective Concentrate \$80

Hydrate and replenish your skin's appearance with this overnight treatment. Rich argan oil, jojoba oil and shea butter improve the look of your skin's density and aid in reducing the appearance of wrinkles.

Bamboo Firming Fluid \$75

For tighter looking skin, our Bamboo Firming Fluid is the answer. The strengthening agents of bamboo and coconut deeply hydrate the skin, with the help of a Natural Retinol Alternative and Swiss Green Apple Stem Cells.

Strawberry Rhubarb Hyaluronic \$60

Give your skin a youthful looking glow with hyaluronic acid and vitamin-rich strawberries and rhubarb. It's a powerful rehydrator for dry skin.

Wildflower Ultralight Oil \$60

This oil is great for hair, skin and nails, and is very lightweight and mattifying. It smells like a beautiful little garden and is the perfect addition to any beauty routine.

Citrus & Kale C+E Serum \$110

If you are looking for anti-oxidants in a bottle, this is it! C+E vitamins are going to be GREAT for your skin, fighting aging, protecting you from the environment, and battling against acne breakouts. This product is extremely lightweight. Note that with C +E vitamins, you may not see results immediately, however using this product consistently will give you youthful, glowing skin for years down the road.

Rosehip Triple C+E Oil \$120

The Rosehip Triple C+E Firming Oil is an effective facial treatment comprised of a blend of results-oriented actives and ingredients that provide intense hydration and protection.

Hyaluronic Serum \$50

The "water essence" of Hyaluronic Serum gives skin much needed hydration and aids in trapping moisture in skin tissue. Hyaluronic Acid is present in every tissue of the body and its importance cannot be under estimated.

Hydrating Grape Seed Serum \$50

Light hydration for dry, acneic skin to reduce inflammation, strengthen and bring about healing. The delightful aroma will keep you coming back for more.

Growth Factor Gel \$50

A strengthening, gel-based hydrator for oily, problematic skin that promotes proper wound healing with plant-derived epidermal growth factors.

Blemish Serum \$35

Blemish Serum is a blend of natural ingredients that support problematic skin conditions gently and effectively, enhancing the appearance of purity and clearing of skin blemishes. A versatile product that may be used alone, to spot treat lesions, blended with brightening products or layered under masks.

Therapy E Serum \$70

This lightweight, easily-absorbed daily serum heals, soothes and repairs problematic skin while providing great antioxidant support.

Growth Factor Serum \$50

Does over-processed skin have you feeling depleted? Let epidermal growth factors help strengthen and increase collagen while antioxidants and chondroitin assist in healing and reducing inflammation and free radical damage.

Skin Smoothing Gel \$40

A powerful AHA combination of Lactic & Glycolic Acid enhance the break down of cellular build up for a softened and clear complexion, offering that glass skin finish.

Mandelic Arginine Serum \$70

This product works to help your skin turnover more quickly, fighting build-up, shrinking pores, and dealing with surface texture. This serum is a great starting point for people who just want to fight age and don't really have any other major skin concerns.

Pumpkin E Serum \$45

A silky, velvety, year-round "super serum" that supplies skin with potent antioxidants and valuable hydration. Pumpkin E Serum contains a blend of flavanoids and vital nutrients for much needed support. Ideal for tired, lifeless, dehydrated skin.

C-Peptide Complex \$60

This vitamin C serum's job is to protect you from environmental pollution, so you should be using this product in the morning. Not only is this product great for protecting your skin, it is also perfect for acne prone skin.

Synergy A \$115

A lifestyle-friendly, encapsulated vitamin A formulated with reparative stem cells to synthesize collagen and elastin production, reduce inflammation, increase cellular turnover and repair damaged cells. An effective rebuilding and strengthening serum for lightening and brightening the skin.

Chrono Peptide A \$115

Using an encapsulated vitamin A and formulated with collagen-synthesizing peptides and superior antioxidants, this powerful anti-aging complex reduces wrinkles and promotes firmer, brighter, younger-looking skin.
