I am a Southwestern Ontario wedding photographer who promises to be with you from 'I will' to 'I do'.....and beyond. I take pride in building life-long client relationships, and I'm committed to providing professional, quality service & attention to detail. I only shoot 10-15 weddings each year so that I can make sure that your special day is all about you! I promise to be your trusted, caring photographer, enthusiastically capturing your authentic joy, tears, & laughter that will last for your 'forever after'.
