Players will have 48 hours from the time squads are announced to complete and submit the online Player Contract and pay the non-refundable deposit (\$200.00) to confirm their acceptance of their position.

Player movement

All squads are considered preliminary throughout the grading phases. The Association reserves the right to move players between squads in accordance with VJBL Rules of Operation. Your child may be moved to a higher or lower team during grading based on their performance and to balance teams. Player movements will be made in consultation with relevant coaching staff and the player/family.

Will all players that Try Out make a team?

Existing and new players that attend tryouts are not guaranteed a position on a squad. Mornington Basketball along with all other Associations are experiencing an influx of players registering for tryouts. Our team numbers are limited by the number of training, competition venues and resources available and being able to deliver a high-quality program and experience for all players. This means that many players Trying Out will not be successful in making a team and this may include existing Breakers players.

Can I request feedback from Tryouts?

Requests for feedback for existing and new players on their performance at tryouts or team selection will not be provided due to the large number of players being assessed.

What happens if my child is not selected?

Squad lists are published on our website and social pages. If your child is not on a squad their name will not be published. We do not notify unsuccessful players individually and families do not have the right to appeal the Club's decision.

There is every possibility that unsuccessful players be invited to join a squad at a later date if players do not accept their positions. Mornington Basketball will contact you directly if a position becomes available.

If your child is not selected it does not mean that they won't go on to be a successful basketballer and we strongly encourage these players to continue to work on their game and try out again the following year. We run a number of camps and programs throughout the year for players to continue to work on their skills.

What is the criteria for selection?

Selections for a Breakers team is made up of two assessment pieces:

- 1. Performance at try out sessions and if required;
- 2. Assessments from the previous season.
