Design Consultation

*Thank you for your interest in
Live With Distinction! We look
forward to working with you.*

Who We Are

Hi and welcome,

Live With Distinction was founded in 2016 by principal designer, Rachael Levine. We offer residential design for distinct personalities, celebrating originality through artful living.

We service Toronto and the surrounding area, specializing in full-service interior decorating.

How It Works

Live With Distinction is pleased to offer an up to 2-hour in-home design consultation. This service is provided by principal designer, Rachael Levine.

Room by room, we will provide you with actionable ideas and advice for your space.

Our consultation is client-driven so we look forward to hearing your dreams and goals!

What We Will Discuss

ONE TIME DESIGN CONSULTATION

— *Projected budget & timeline*

Based on the scope of your project

— *Your goals for the space*

What are your problem areas? What are you hoping to achieve? How do you want the space to feel?

— *Aesthetics*

We will advise what works best for you and the space. Offering stylistic advice including paint colours & materials.

— *Layout*

Optimizing the space to make the most of your furniture floor plan.

Consultation Check List

To make the most of our time together, we recommend you prepare for our meeting with the following checklist!

A list of questions, ideas & goals!

So nothing is forgotten.

Inspiration images

To illustrate your ideas and personal style.

Pen & Paper

During the consultation, we will provide you with plenty of ideas you'll want to jot down! is the responsibility of the client to take notes.

Wifi Password

You'll want to have the wifi login details on hand in case we need to look up images or source online.
