1 False Religious Teaching:

God is Love Gospel (absent call to Repentance)

Relativity (whatever works for you)

Etc.

Concious Level (Head) (what I'm thinking)

I'm okay. No personal responsibility Its always everybody else's fault

Self-righteousness
Victim mentality
Self Reliance
Pride & Arrogance
Works-righteousness

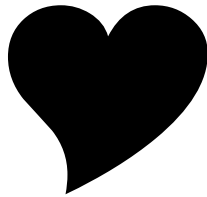

Matthew 13 Parable of the Sower

Good soil = Hears & **Understands**

We must bring understanding that penetrates the head level, and heart level and communicates God's loving faithful heart and ability to meet our very real needs—redirecting the feet level toward God and away from idols

2 Injury, Injustice and Disappointment from the Wider Culture, the Community and from family members & peers

Subconscious Level (Heart/Gut) (what I'm feeling)

Broken Heart Wounded Heart Calloused Heart Stoney Heart

MISTRUST

NEGATIVITY

Understanding comes through teaching, talk and experience.

3 Don't Know God but I need to meet these real needs God has placed within me:
Comfort
Provision
Protection
Value
Purpose
Pleasure

Action Level: (Feet) (what I'm running after)

Sinful Lifestyle

Even as we teach and talk they must experience Christ on a felt level in us and through us--the body of Christ--and through seeing & tasting the power and presence of God through testimony, worship and prayer that is relevant to the age and the culture.
