

# Dream Team Package

Two is better than one!  
We go together like peanut butter  
and jelly, like green eggs and ham,  
well, like a photographer &  
videographer!

We love each other and we love capturing  
moments! We call ourselves and our team  
the dream team for a million reasons but the  
most important reason? We love capturing  
the dream! The dream wedding to be exact!  
Let us capture your dream wedding to be  
remembered forever and ever!
