## MY PROMISE

# YOU KNOW YOU WANT GREAT IMAGES ...

But what you may not realize is that you need a great experience with your photographer more than anything! That is exactly what we promise to give you. Over and over and over again, CMP Couples rave about their experience almost more than their images! Why? Because in order to get those natural, genuine portraits that truly capture who you are, you have to feel comfortable with the person taking them. The way you feel while you are having your portraits taken heavily influences how you feel when you see yourself in the final images. I have worked with over 350 couples over the last 12 years and I can honestly say it is 100% possible to love how you look in your images - if you feel comfortable while having them taken! Creating comfortable, joyful and genuine client experiences is what I specialize in and I am excited to share more about what the CMP Experience includes!

## THE EXPERIENCE

# WHAT IS INCLUDED IN THE CMP WEDDING EXPERIENCE AND WHY:

My wedding experience is structured very intentionally. Everything I offer and recommend is a strategic part of an overall experience that leads to what my wedding couples ultimately desire: genuine, timeless and joyful images. The most intentional aspects of the CMP Wedding Experience include:

### 8+ HOURS OF COVERAGE

I have found that for a traditional wedding day, we need a minimum of 8 hours to capture the full story of your day with a stress-free timeline.

### recommended ENGAGEMENT SESSION

I always recommend an engagement session because this is my opportunity to get to know you and empower you to feel comfortable in front of the camera.

### WALL ART AND ALBUMS

I believe the best way to experience your photographs is in print - and not in that desktop folder you never open! This is why I offer a variety of albums in my packages and offer a complimentary Wall Art Session to each couple

STEPHANIE & PAUL

“Working with Caitlin was one of the best decisions we made for our wedding day! All of our family and friends cannot stop talking about how great these photos came out. We will cherish these photos forever and am SO happy we booked Caitlin as our wedding photographer.”

ANNA & MATT

"Simply put, Caitlin was everything you could want in a photographer and more. The photographs are simply breathtaking and something that we will cherish and look back at for years to come. You are a storyteller beyond words. I've never felt more beautiful or in love. These photos are exquisite."

## *Envision this....*

Your wedding has happened. It was beautiful and everything you dreamed it would be.

Instead of just downloading your images to your hard drive and sharing a link with your family and friends, you take it a step further - You invested in a family heirloom keepsake that tells the story of the day you began your life together as married couple.

Now, try to fast forward even further and envision yourself sitting in your future living room with your future four year old and he/she is asking questions about when you got married. You look at them and say, "Hold on one minute, ok?" and you grab your legacy album.

As you flip through the pages, half of the album in your lap and the other half in theirs.... your child notices aunts, uncles and grandparents celebrating with you on your wedding day. If your future child is anything like I was as a kid, they will be in awe of these old pictures. Heirloom albums aren't just for you, they are for those that come after you. What a beautiful gift to hand down to future generations!

# FREQUENTLY ASKED QUESTIONS

## WHAT IS YOUR SHOOTING STYLE?

I love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when I will step in in order to accomplish everything that needs to be done to keep everyone on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) I guide my couples how to pose and interact so they look effortless and natural in their photos.

## DO YOU WELCOME ALL COUPLES?

Yes, Yes, Yes! I believe that love is love and that EVERY couple should have a spectacular wedding experience and vendors who celebrate them fully! Rest assured, I will be in your corner, cheering you on no matter what!

## BESIDES PHOTOGRAPHY, WHAT WILL YOU BRING TO OUR WEDDING DAY?

Enthusiasm, lots of laughs, a calming presence and a wealth of knowledge (earned by shooting more than 300 weddings). Did your bustle break? Have blisters from your shoes? No worries, I've got you covered!

## WHAT HAPPENS IF YOU'RE SICK OR CANT MAKE OUR WEDDING?

I'm very proud to say I have never cancelled a wedding due to illness - not once! However, if it is impossible for me to make it to your wedding, I have an amazing network of photographer friends willing to step in at a moments notice!

SARAH & CONNOR

"We cannot say enough amazing things about Caitlin! Her photo quality is absolutely incredible! We felt so comfortable the entire day and actually enjoyed the picture-taking process, instead of it feeling forced or unnatural. I would recommend Caitlin to absolutely anyone. If you are in the market for an amazing photographer then look no further!!"

SAMANTHA & TYLER

“Our photos are incredible. They capture our day perfectly, even better than we envisioned. Every detail in our photos are perfect, down to the position of hands and my dress. The only thing that made it difficult was deciding on what photos to hang in our home because we love them all. “

# THANK YOU!

I'm so glad you contacted me! Take time to enjoy your new engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals and the details will fade away. Once your the last song is played and you exit your reception, you'll begin your new chapter as a married couple and you'll have your photos to remember the day it all began. Congratulations on your engagement and I look forward to hearing from you!
