INTUITIVE CHANNEL

ABOUT

Jessica Stone is an expert in the field of metaphysics and dedicates her professional life to the exploration and education of the human potential through energy. She works with individuals and corporate companies leading private, group and retreat style sessions. Her reach of over 20,000 clients/ students and her well respected 10 professional years in the wellness space is felt in her practical approach to accessing the soul.

Jessica is Harvard Certified in Psychedelic Assisted Therapies, a Worldrenowned Reiki Master/ Teacher and Author of The Art of Intuitive Tarot.

Energy work has been my passion my whole life, and I have always been a student of all modalities that help me further understand myself, where I came from, and how we can all use this universal frequency to empower our story here on Earth. - Jessica

ABOUT JESSICA STONE

SERVICES

TAROT READING

Connect with your highest self through the holistic lens of tarot card reading. This session performed with Jess is done as you channel your guides and leave with the answers to navigate your life path.

REIKI

Energetically cleanse and heal your chakras, emotions and physical body through the healing of Usui Reiki. This powerful technique began in Japan and is now used in medical practices around the world. As a Reiki Master, Jess can provide and educate on this powerful healing tool.

GUIDED MEDITATION

Jessica's signature meditation style of actively increasing self-awareness, will relax the mind and body while accessing the soul. Reduce stress and come back to connection in this world-famous technique. Can add a sound bath to the experience. **Previous clients**: Selena Gomez (Rare Album), Bandier, AIM Mental Health organization, Join Form & Lululemon

HOME CLEANSING

Just like our bodies, our homes hold the energy of everyone they come in contact with. Simply clearing and resetting the energy of the home promotes healthy communication, better sleep, empowerment in the kitchen and an overall feeling of peace. This session is done with palo santo, reiki and crystal placements provided by Jess.

CHANNELING

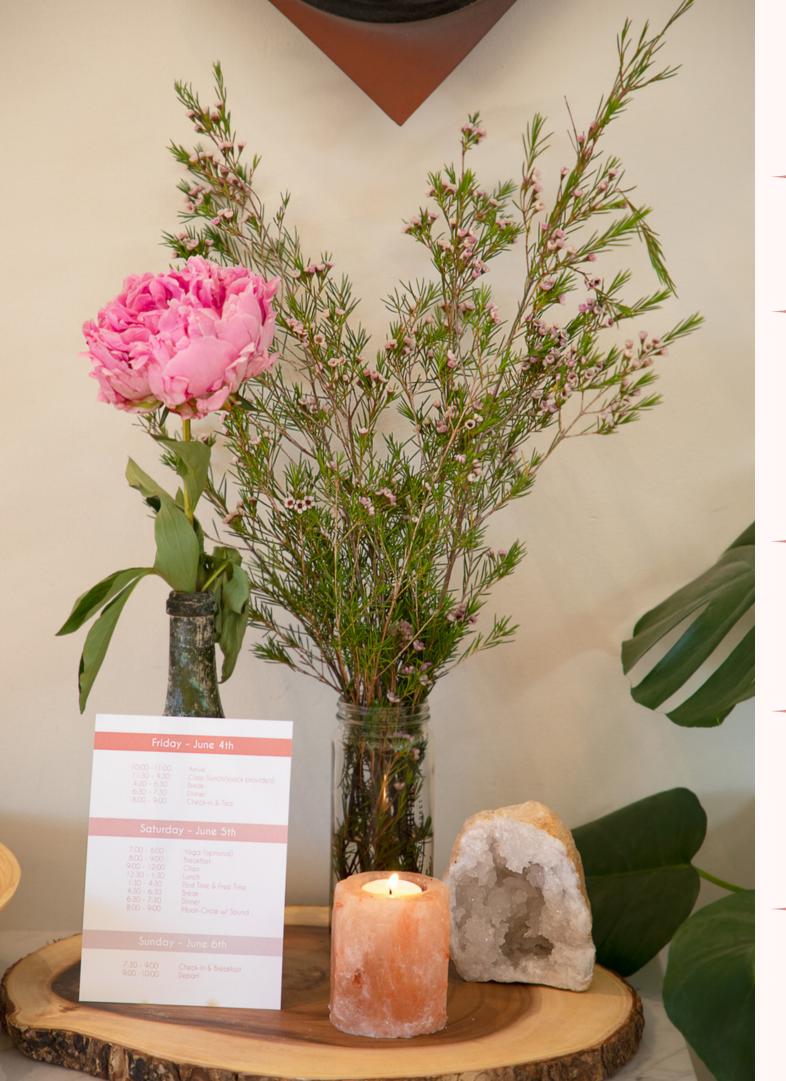

Directly connect with your guides, angels and highest self to answer the question in life you are seeking. From the day to day life guidance, as well as deep soulful questions of your path, Jessica will facilitate this insightful experience.

PARTIES & EVENTS

Gather together friends, family or co-workers... because all Jessica Stone services can be done in a group setting. Available for meditation circles, intention setting, to private mini tarot sessions. With today's ever growing trend of wellness a holistic touch to your next Bachelorette Party, Birthday Party, Holiday Event and more; it is always a crowd pleaser!

RETREATS

An extended experience of Jessica's offerings, curated to fit the clients needs. Retreats can range from a day to a week, focused on heart centered activations and instagramable moments.

EVENTS

Art of Intuitive Tarot Class

In this interactive, exploratory class, you will learn how to tap into your own intuitive potential to read tarot for yourself and others. This talk or workshop is either 1 hour or 3 hours.

Intuition Activation

A workshop focused on understanding intuition - awaken your divine power and ignite your heart-centered path through science and soul. This course teaches you how to manifest your dreams into reality by using simple exercise to help lift your mood and align your energy to match your desires. You will develop a connection to your mind, body & soul and learn how to manifest from that fully integrated space. This can be an hour talk or all day interactive team workshop.

Tarot Card Readings

A thoughtful touch to events that connects guest to their inner direction and personal magic. This can be a private individual session or mini session for a group event. Previous clients: REVOLVE, Miranda Kerr, Kora Organics, Bandier & Nicole Williams English
