BRIGHTER FUTURES TOGETHER

ROM Trip

TIA students recently enjoyed an educational visit to the Royal Ontario Museum, one of Toronto's most iconic cultural institutions. During the trip, students explored a wide range of exhibits spanning natural history, world cultures, and art. The visit offered an engaging opportunity to connect classroom learning with real-world experiences. Students were excited to discover new ideas, ask questions, and deepen their understanding through hands-on exploration in an inspiring and memorable setting.

Holidays coming up (2 weeks off)

As December arrives, Toronto International Academy looks forward to the upcoming holiday season. After a busy and rewarding term, we wish all students a relaxing and restful break filled with joy and celebration. This is a time to recharge, reflect, and enjoy time with family and friends. TIA extends warm wishes to our school community for a Merry Christmas and a Happy New Year. We look forward to welcoming everyone back refreshed and ready for the year ahead.

Christmas Party at school

TIA recently hosted a festive Christmas party filled with food, games, and holiday cheer for both students and staff. Everyone enjoyed fun activities, shared delicious treats, and participated in a joyful Secret Santa exchange. The atmosphere was warm and lively, bringing the school community together to celebrate the season. To everyone's delight, Santa even made a special visit, adding extra excitement to the celebration. It was a wonderful event that captured the true spirit of Christmas and left everyone smiling.

Some students wrote IELTS tests

Several graduating grade 12 students at TIA recently wrote the IELTS exam as part of meeting the English proficiency requirements for their university applications. After completing the IELTS preparation course at TIA, students felt confident, well-prepared, and ready to perform at their best. Their hard work and commitment throughout the course were evident, and the school is proud of their dedication.

Finishing OUAC applications

Grade 12 students at TIA have now completed all of their OUAC applications, including required supplementary materials. With submissions finalized, students are eagerly awaiting responses from their chosen universities. Offers are expected to arrive between February and May, making this an understandably nerve-racking period. Despite the anticipation, students remain optimistic and excited about the opportunities ahead. The school is proud of their dedication throughout the application process and looks forward to celebrating their successes in the months to come.
