

Thank You Stagecoach Foundation!

May 14, 2023

The Stagecoach Foundation is a non-profit organization based out of Santa Fe, New Mexico that provides film, TV, and video-industry experience through training and workforce development. They recently finished their “Steam. Stock. Sizzle.” reel that highlights footage of the locomotive steamed up! NMSL&RHS provided a special opening for them to come and film the day’s movements. Thank you, Stagecoach!
