

Vina Chalice

Trance Channeler + Soul Tingles Fairy

Digital Creator. Blogger. Spiritual Messenger

Who:

Vina Chalice is an Ethereal Visionary, intuitive guide, and voice for the unseen, known for her profound ability to channel wisdom from beyond the veil and inspire others to awaken their innate gifts.

What:

Her journey began in 2016 with a life-altering spiritual awakening when a nonphysical being first communicated with her through telepathy. This encounter sparked a poetic revelation through automatic writing. During the COVID-19 pandemic, her psychic abilities expanded dramatically, leading her to channel messages, share light language codes, and teach others how to access their own intuitive power. Today, she serves as a guide for those seeking to align with their higher selves and embrace their unique energetic blueprint.

When:

- 2016: First telepathic connection and channeled writing experience.
- 2019: Began showing up online channeling insights and connect with others.

Where:

- Social media platforms via live streams, light language transmissions, and intuitive teachings.
- In-person at psychic fairs, channeling nights, and transformative classes.

Why:

To help others rediscover their inner guidance, trust their intuition, and embody their fullest potential in this quantum reality.

Milestones & Highlights

- **Twice-Viral TikTok Success:** Captured collective attention with two videos that reached thousands, sparking deep engagement and curiosity about light language and channeling.
- **Soul Mingles Trance Channeling Sessions:** Hosted a transformative year-long series where individuals connected with their higher selves and received intuitive guidance in a safe, sacred space.
- **Monthly Psychic Readings with the City's Best Psychics:** Delivered insightful, personalized readings alongside the Twin Cities' top psychics.
- **Intuitive AF Summer Series:** Led a summer of soul-deep learning with interactive, empowering classes designed to help participants strengthen their intuitive abilities and trust their inner guidance.
- **Intuitive Coaching:** Guided clients through personalized sessions to unlock their intuitive gifts, overcome energetic blocks, and embrace their fullest potential.

Ongoing Skill Development

- **Divergent Thinking:** Generating innovative, out-of-the-box ideas and solutions by exploring multiple perspectives and connecting seemingly unrelated concepts.
- **Marketing & Strategy:** Crafting compelling messaging and strategies to authentically connect with audiences across platforms.
- **Writing & Ghostwriting:** Delivering refined, evocative content for blogs, social media, and personal branding with a voice that resonates.
- **Improvisation:** Adapting intuitively in live events, channeling sessions, and creative projects to inspire flow and spontaneity.
- **Collage Design:** Blending textures, colors, and imagery to create visually striking and soulful designs that tell a story.
- **Minimalist Aesthetic:** Curating content, spaces, and designs that embody clarity, intention, and elegance.

Specialties

- **Channeling & Trance Communication:** Connecting with nonphysical beings to deliver profound messages, guidance, and healing.
- **Light Language Activations:** Sharing potent, soul-aligned transmissions that awaken and elevate energy.
- **Intuitive Coaching:** Empowering others to discover and trust their inner wisdom, unlocking their intuitive abilities.
- **Psychic Readings:** Offering accurate, compassionate guidance on life, love, and purpose.
- **Quantum Healing & Energy Realignment:** Facilitating multidimensional shifts for clarity and alignment with higher timelines.
- **Teaching Intuitive Development:** Leading workshops and classes to help others strengthen their psychic and intuitive skills.
- **Manifestation Guidance:** Helping clients clear limiting beliefs and align with their desires through spiritual tools like pendulums and channeling.
- **Creative Spiritual Practices:** Crafting custom light codes, channeling poetry, and delivering sacred messages.
- **Hostess of Intuitive Experiences:** Hosting trance channeling sessions, livestream events, and meetups to inspire collective growth.

Opportunities to Collaborate

I thrive in co-creating soulful experiences, magical stories, and transformative narratives.

Let's connect on:

- **Events:** Hosting or speaking at gatherings centered on intuition, creativity, and connection.
- **Storytelling & Scriptwriting:** Crafting evocative narratives for projects that inspire and empower.
- **Retreats:** Guiding transformative journeys with channeling, intuitive workshops, and light language activations.
- **Voice-Over for Alien/Fairy Characters:** Bringing ethereal, otherworldly voices to life for animation series or multimedia projects.

"There are no accidents... there is only the possibility of connection."

— James Redfield, *The Celestine Prophecy*
