ALLISON BURTON  
PHOTOGRAPHY

THE PORTRAIT EXPERIENCE

Welcome!  
I'm Allison and I believe  
this is the beginning of  
something amazing!

My work isn't about me - it's about you. It's about having fun capturing the current season of your life. I hold the camera, but your images are about your family, your children, your love story, and your personalities. I want our time together to be fun and relaxing...an amazing experience, as I capture the joy and excitement of your current life season. Keep reading to get to know me and learn more about who I am beyond the camera.

LET'S BE FRIENDS:

This is what you need to know...

I'm a photographer, but I'm also a wife, and mom. Plus I'm someone who truly loves capturing memories for myself and others. I'm an outgoing, energetic, enneagram 8 that thrives on helping others.

## MY WHY | IT'S MORE THAN JUST A JOB

### FAMILY

I believe family and deep relationships are some of life's greatest gifts! I know that my role in all ABP Clients lives is not only to deliver a beautiful final gallery but to be a supporter and encourager in the creation of lifelong memories.

### MY LITTLE PEOPLE

I believe that everyone has gifts and passions for reasons. I am so thankful that our children are growing up watching their mom use her talent and abilities to create a thriving business wherever in the world we are sent.

### MEMORIES

I believe so deeply in the power and importance of creating and fostering memories. Having lost my own mother, now more than ever I lean on every single photo I have of her to remember her smile and her joy. Having tangible memories is so vital in preserving a legacy.

Jamie is my husband, my best friend, and a soldier!

## MY PROMISE

# YOU KNOW YOU WANT GREAT IMAGES ...

But what you may not realize is that you need a great experience with your photographer more than anything! That is exactly what I promise to give you. Over and over and over again, ABP Clients rave about their experience almost more than their images! Why? Because in order to get those natural, genuine portraits that truly capture who you are, you have to feel comfortable with the person taking them. The way you feel while you are having your portraits taken heavily influences how you feel when you see yourself in the final images. I have worked with many ABP Clients over the last ten years and I can honestly say it is 100% possible to love how you look in your images if you feel comfortable while having them taken! Creating comfortable, joyful and genuine client experiences is what I specialize in and I am excited to share more about what the ABP Experience includes!

## THE EXPERIENCE

# What is included in the ABP Portrait Experience and why:

I have structured my client experience very intentionally. Everything I offer and recommend is a strategic part of an overall experience that leads to what my ABP Clients ultimately desire: genuine, timeless and joyful images. My most intentional aspects of the ABP Portrait Experience include:

### LET'S TALK

After you inquire, we'll schedule a time to connect via phone or Zoom to make sure we're a perfect fit. I'll create a custom proposal based on your vision for your session

### WE'RE OFFICIAL

Let the fun begin! After you're officially booked with a paid retainer and signed contract, you'll receive my ABP guide and we'll schedule your session.

### SAY CHEESE!

The day has come. It's time for us to have an amazing time at your session!! This is the time to bring out all the bribes, I mean smiles, and have fun with me

### REVEAL & ORDERING

After some anticipation, I'll finally show you what I captured. We'll set up a time to get together to view your images and order your prints.

“Can't recommend Allison enough!! She makes the sessions so comfortable and is a pro working with squirmy babies and their high-energy toddler sisters 🤪 she perfectly captured the essence of my baby and her service is top notch!! If you're in the greater KC area and you're looking for a photographer... LOOK NO FURTHER!!”

“Allison is an absolute wonder! She has an amazing positive energy that is wonderful with children and has a very special gift of taking a seeming “ordinary” situation and making it breathless through her lens. She is professional, fun, and easy to work with, presenting photo packages that are affordable with the highest of quality. We feel so blessed to have found her here in Kansas and look forward to our next session with her in the near future!
