

Personnel Services

P3 Global Services, LLC

Specializing in matching the right person with the right project, P3 Global Personnel employs safety personnel to fit a multitude of job locations and tasks. P3 representatives are available throughout the world for both land and offshore facilities with expertise covering safety, health and environmental services.

“Our goal is to guarantee cross-trained, multidimensional personnel to allow for greater quality and professionalism while on every job.”

Our Strategy

We target the best talent with hands-on recruitment and one-on-one skills verification.

Personnel Services

Cross trained, multidimensional personnel allow for greater cost savings to our clients by employing personnel capable of handling a number of job tasks seamlessly and efficiently. We pride ourselves on the service we provide to our clients and the impact our personnel make from day one.

Safety Representatives

Paramedic/EMT/DMT

Logistics/Clerks

Fire-watch

Inspectors

Confined Space Rescue

Compliance Specialist

All P3 personnel are prepared before they are assigned to any project by attending P3's

thorough training regimen. It provides an important understanding of what our client expects and gives specific insight into company ideology and requirements. Our personnel are equipped to follow client specific policy and procedures, required job functions, reporting, Incident Investigation, and play an important role as part of your team.
