A full-page photograph on the left side of the page shows a bride and groom in a white convertible car. ## PHOTOGRAPHY FOR THE SENTIMENTAL LOVERS

You two deserve to have the most beautiful wedding day from getting ready to getting sleepy, the kind of day that comes rushing back when you look at the photos on your first anniversary or your fiftieth or a random rainy day between. Once the cake is eaten, your hair messy, makeup smeared by happy tears, dance floor cleared... the photos are what's left to share with the people who were there and the ones who will enter your heart thereafter.

You deserve nothing less than photos that will take you right back to the nerves of the bridal suite, to the passion of that long-awaited kiss, to the chaotic joy of the reception. You deserve to remember the warmth you felt from the sun on your skin to the love in your soul as you look back over the sights of a day full of laughter, love, tears, and smiles. I'll be honored to make sure you do. Here's a little guide to how we can do it.

## HEY, I'M BEKAH. ♡ YOUR WEDDING DAY BESTIE ♡

---

### *behind the lens*

---

I've spent over six years capturing the raw, passionate connections that make love so beautifully unique. Time and again, I've seen how vulnerability is the heart of every meaningful relationship—something truly irreplaceable.

For me, storytelling is the magic behind every image. My approach is honest and down-to-earth, seeking beauty in the in-between moments, the quiet glances, and the unexpected places where love truly shines.

My camera, passport, and smile are ready to follow your love to the perfect venue for the best day ever.

From East Coast charm to West Coast vibes and all the shores beyond, I'm always ready to see new places and capture new stories. When I'm not shooting or traveling, you can find me cozy in a coffee shop editing or nestled on my couch watching Star Wars with my dog and my fiancé.

# TIMELESS MEMORIES

I know how much these photos mean and what they represent. That's why I always bring them to life in a romantic and editorial style that is as timeless as your love. Documenting fairy tale love stories from around the world has always been my dream, and now it's come true. Do you want to be the next one?

My promise to you is to capture all those raw moments and document your story in a romantic and timeless way. Being able to offer a way for you to look back on a special day and remember those feelings is the core of why I do this.
