2025 IMPACT REPORT

CELEBRATING A YEAR OF IGNITING HOPE

give • spark • impact

INVITE

EXPANDING OUR REACH

In 2025, our average worship attendance reached 675—a 21% increase in just two years. With the support of 522 households, we continue to advance our mission and vision of igniting hope and meaningful change for new generations.

DEEPEN

FAITH FORMATION AND GROWTH

We celebrated 29 baptisms and grew together through 42 small groups, connecting 410 participants. We welcomed 109 new faces through first-time connection cards, and our community workshops engaged 166 individuals eager to deepen their faith and participate in meaningful conversations.

IMPACT

INSPIRING HOPE AND BELONGING

VBS welcomed 219 children and brought together 283 volunteers, creating a vibrant space for connection and celebration. Serve Day united 103 participants at 7 locations across the northland, each one dedicated to making an impact at the heart of our community.

INVEST

GENEROSITY THAT TRANSFORMS LIVES

On Christmas Eve, we gave away \$63,922 to support A Turning Point, and on Easter, we gave \$18,354 to help fund NKC Schools Emergency Housing for children experiencing homelessness. Additionally, five students received scholarships totaling \$3,000, demonstrating how every gift ignites a spark of hope.
