

# The Brook: 2022/23 Essential Wedding Guide

# *Your adventure awaits...*

Once the site of a summer camp, The Brook offers a one-of-a-kind opportunity to go beyond planning events, and start creating **experiences**.

These 180 secluded acres include lush forests, tranquil groves and, you guessed it, a stunning brook winding throughout. The Brook offers a range of on-site lodging options and activities, guaranteed to leave you with memories that will last a lifetime. Although no longer a summer camp, we still strive to provide that same carefree getaway vibe for all of our guests.

While only 30 miles from Columbus, we encourage you to leave your worries behind, enjoy our hidden slice of paradise and fully immerse yourself in The Brook!

# The Best Day *Ever*

When reimagining The Brook, hosting weddings was our primary focus. Throughout the transformation process, every measure was taken to ensure your most special day is absolutely perfect!

We encourage you to dream big, think outside the box and use your imagination to create your unique experience.

But don't forget, it's not a Brook wedding until you 'ring that thing'!... (this bell)
