

ABOUT THE CAMP

Meet the Orchestra! gives students an inside-look into the exciting world of the orchestra! During their time at camp, students will be engaged as they learn about the orchestra through games, listening to famous orchestral pieces, and investigating how each instrument of the orchestra works. In addition, they will learn about the basic elements of music and be challenged by the spiritual emphasis of glorifying the Lord with music. All participants will receive their own workbook to use each day and take home at the end of camp. Don't miss this opportunity to further your child's understanding and appreciation of music!
