# MENTORSHIP

SMALL BUSINESS MENTORSHIP SESSIONS

*let's chat...*

Do you ever feel *stuck* in your business? Or are you *just starting out* and wish there was someone who could point you in the *right direction*? What about that new dream launch that you would love an *outside opinion* on?

**Well then I'm your girl.**

After over 5 years in business and 3 of those full time, I've learned a TON about how to run a successful photography business.

And I would love to help you do the same.

AN SWP MENTORSHIP MEANS THAT YOU'LL HAVE A **FRIEND** WHO HAS BEEN THERE AND WANTS TO SEE YOU **CRUSH** YOUR SMALL BIZ DREAMS.

**let's get started.**

## Session Types...

### Virtual Chat.

A 60 min. zoom call where you can ask *any* and **all** business or photography questions, we can share our screens, and includes a digital recording of our chat so you can revisit it whenever you want (and you won't have to worry about writing everything down)!

**\$150/monthly**

**\$200 one time session**

### Coffee House Convo.

A 60 min. in person chat where I grab you your favorite drink and we discuss **all the things** about your business! This is just like the virtual chat but with the added benefit of being face to face! (travel fees may apply outside of Portland area)

**\$150/monthly**

**\$200 one time session**

### Wander Together.

We will start off with a 60 min. in person chat over your favorite drink and then go out and shoot a session together. I will organize the shoot, style it, and coach you through the whole thing from posing to how I run a session and answering any questions that come up. (this session is approx. 3 hours total)

**\$450**
