BUSINESS · MARKETING · LIFESTYLE · FASHION

# Hello there!

Natania is business coach, digital marketer, influencer, and content creator.

She teaches women entrepreneurs how to launch, grow and scale an online business through profitable digital marketing strategies.

She creates inspiring and motivational content for millennial women to start a business, scale for profit all while living life on their own terms. She scaled her start-up business with less than \$100 while being a full-time nursing student to a 6 figure business in months. Now she teaches others how to do the same.

In the digital arena, she has worked with Shopify, Create & Cultivate and has been featured in Later Media. She enjoys collaborating with fashion brands and other influencers and has been featured in major brands like Pretty Lavish, Aldo, and Marketing by Monrae.
