# The County Line

Located on the line of Chatham and Orange Counties, here in beautiful Chapel Hill, North Carolina, this stunningly restored chapel sits like a beacon on the hill— just awaiting the unfolding of your love story.

Whether you call this beautiful part of the world home or this is where you first met, dream of a destination wedding, or are starting your new life together, this part of town is both bustling and slow, both upcoming and cosmopolitan, but always “a southern slice of heaven.”

# The Main Chapel

Beautifully and thoughtfully restored, this 1800's chapel is the perfect blend of history and modern design. Refashioned for the truly intimate gathering, the chapel is home to stunning ceremonies, and also dinner and dancing celebrations.

Original details like Heart Pine floors, light-filtering stained glass windows and ultra high ceilings make this space both grand and intimate at the same time.

A long, white dining table is set for a wedding reception in a bright, elegant room. The table is covered with a white tablecloth and is set with white plates, glasses, and blue napkins. A centerpiece of white flowers and greenery runs down the center of the table. The room features a large, ornate chandelier hanging from the ceiling, a large mirror on the wall, and a wooden floor. The overall atmosphere is sophisticated and romantic.

# The Courtyard

Our Euro-inspired courtyard is the perfect place for your al fresco gathering, day or night.

Ceremonies, dinner, dancing, and lounging are always better under the stars and moonlight, and the ethereal quality of a clear top tent just makes the evening that much more special. Our full courtyard market lights just add to the magic for evening events!

Welcome to the prettiest spot in town!

# The Garden

Ever changing depending on the season, the expansive lawn and garden area creates an outdoor space like no other. Nestled in a woodland surround, these spaces seamlessly link for quiet intimacy, and open gatherings—not to mention the most dreamy photo locations!

# The Pew House

If a serene and somewhat secret spot sounds like pure romance to you, then our Pew House location is ideal. This backdrop to your curated ceremony is located at the far end of this beautiful historic property and nestled under the oaks.

Your guests can stroll through the garden and find seats under the oaks for a truly intimate affair.

# The Chef House

Meet our sweet Chef House where your event “behind the scenes” magic takes place. Hosting our favorite Handpicked Expert vendors here makes your special day go off without a hitch.

Our clean and professional prep kitchen is ready for your preferred caterer, and ample storage awaits your rentals and decor at all and times.

Beautifully styled adjoining or separate rooms await you for getting ready, taking intimate portraits, or just savoring some quiet time before or during your big event.

Natural light, large mirrors, beautiful furnishings, and HMU stations make this the perfect getaway and prep area. A private entrance allows for easy arrival and load-in, and there is ample storage for your event day belongings.
