Cleaning / Custodial Care: Triple R Ranch

Triple R Ranch is looking to immediately hire an individual, pair of individuals, or couple to clean our facilities. For the nine weeks of our Summer camp June 20th through approximately August 21st. Cleaning consists of a Tuesday through Saturday schedule of approximately 5 to 6 hours a day with the option of working Monday as well. For the greater school year season, the middle of August through early June, our cleaning needs require approximately 20 to 24 hours a week as occupancy is more limited. Additional work in housekeeping is negotiable if more hours are needed to secure your employment.

Summer Cleaning is largely concentrated towards camper/staff restrooms, showers, and large meeting rooms. Additional cleaning includes offices, meeting rooms, and vacuuming hallways. Mid-August through early June cleaning consists of camp guest housing, meeting rooms, bathrooms, dining hall, and offices.

For a person or pair who are self-starters and do quality work and want to maximize their opportunity, there is the potential for additional hours in related work.
