THE
Wedding
EXPERIENCE

MY PHILOSOPHY | I'm sure your mind is racing with all that needs to be planned. It's all very exciting but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! My goal as a wedding photographer is to make this one aspect of the planning process simple. Photography is more than just images, it's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photographic experience. When my couples feel comfortable and relaxed in front of the camera, that results in genuine, joyful images! When I think back to my wedding day, I remember amazing memories.....but the moments I remember really well are the ones that were captured in my pictures. They are priceless to me. Your wedding day is an experience from beginning to end and your photography is a huge part of that experience..... shouldn't it be fun? and enjoyable? and natural? I think so! My goal is not only to capture memories for my clients, it's to create an experience that they will never forget.

THE PROCESS | One way I ensure that our brides and grooms enjoy the BEST photographic experience possible is through forming a relationship with them. I try my best to make sure that all of my couples are the PERFECT fit for me before officially booking. A bride and groom should connect with their photographer, trust their photographer and be EXCITED about the whole process with them! After booking, I love getting to know my clients through an ENGAGEMENT SESSION that helps them warm up to the camera so that they are ready to rock and roll on the wedding day! By the time the wedding day arrives, my clients feel more like friends and that creates a safe and relaxed environment for photography. Now that you know a little bit about my approach to the wedding day, you can continue reading to find more detailed information about THE WEDDING EXPERIENCE!

WHY INVEST?

Your first decision as an engaged couple is to set priorities for your wedding planning. You have to decide what you value most. Is it the dress? The food? The venue? As a bride (26 years ago!) AND photographer, I believe that couples should make their photography a top priority. After the big day is over, you will leave your reception with a spouse & your pictures.... that's it! All of that planning and preparation is over in a matter of hours! So if you're choosing to invest in high quality photography, those images deserve a classy, elegant home after the wedding. I offer high end, linen cover Legacy Albums for my wedding clients. The images are printed straight onto the pages and the covers are wrapped with natural linen. This is the perfect ending to The Wedding Experience and it's a keepsake that you will be showing your children and grandchildren one day!

Frequently

ASKED QUESTIONS

ENGAGEMENTS :

I am more than willing to travel for engagement sessions! I actually love it when my couples ask me to photograph them in a location that means something special to them! I book engagement sessions at least two months in advance and up to 100 km of travel are included if needed.

DIGITAL FILES :

I average 75-100 images per hour that I'm shooting. I love delivering my clients' files quickly and easily via an online gallery. You will have the ability to print, share, and download your images as much as you want. I believe in freely sharing my work because that is what I would want if I were in your shoes! I also offer the ability to purchase professional quality prints directly through the online gallery if you wish.

COVERAGE :

I am often asked if 8 hours is enough time to capture the full wedding story and the answer is yes! My main goal right now is securing and saving your date. You can always add additional coverage as we get closer to the big day and we have a good idea of your timeline.

MY SHOOTING STYLE :

I love being both interactive and discreet throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done while staying on schedule. There will also be moments when you shouldn't even know that I'm there (the ceremony, during dances, and toasts). I will teach you how to pose, model, and interact during your engagement session so you are naturals on the wedding day and don't need quite as much instruction from me!

BOOKING :

Once I have answered any questions you may have and you have decided that my Wedding Experience is exactly what you're looking for on your wedding day, the next step is a booking proposal. I will create an online proposal that will walk you through the package and when you're ready you can save your date by signing your contract and paying your deposit online.

Thank You

I'm so glad you contacted me! Enjoy this season of engagement and get excited about your BIG DAY because it's going to be fabulous! Plan and prepare but always remember that at the end of the day, you're marrying the love of your life and that's all that really matters. Congratulations on your engagement and I look forward to hearing from you! Be sure to visit my [BLOG](#) to view my most recent weddings!

Love, Lisa
