Greetings Amarillo Club Members,

Spring is coming soon, and the colors of Amarillo are beginning to change! From the 31st Floor we can see the trees springing forth new fresh colors. Along with the changing colors, the Amarillo Club has some changes of its own. A new Board of Directors, a new chef, and new menus.

In case you missed the Annual Stockholders' Meeting on February 7th, the club members voted for a new Board of Directors. We are excited to welcome Mr. Jerry Hodge as our new Board President. He is a man of great vision and we look forward to working with him. We have also appointed Chairpersons to our Special Committees. You will find their names in this newsletter. Please feel free to reach out to them or give us a call if you have any suggestions for events, musicians, special menus, etc. This Club belongs to you, the members. Your voice matters!

We would also like to introduce our new Executive Sous Chef, Lauren Whitledge. Many of you know Lauren and have seen her around the Club in the Food and Beverage Manager's position. The Food and Beverage Committee auditioned Lauren in January and unanimously voted her into the Chef's position. Lauren has been working alongside Chef Tre Wilcox to develop new menus for lunch and dinner. If you haven't been to the Club lately, I would encourage you to come see what's new and introduce yourself to the new Board Members and congratulate Lauren on her new position.

See you at the Club,

Abhishek Sonkar

NEW EXECUTIVE SOUS CHEF HEATS UP THE KITCHEN AT THE AMARILLO CLUB

Lauren Whitledge, an Indiana native, built her career over the last 10 years in the Washington, D.C. area. She worked in some of the finest kitchens as a Pastry Chef, owned her own cake and catering company, and ended her D.C. career as the Executive Sous Chef at Alta Strada Restaurant. Lauren joined the Amarillo Club in October of 2018 as the Food & Beverage Manager, but had her sights set on the kitchen from day one. The position of F&B Manager gave Lauren the opportunity to get to know the kitchen staff, the day to day operations of the kitchen, as well the menu before she accepted the position as Executive Sous Chef.

Lauren graduated from Johnson & Wales University in 2006 with a Bachelor of Science in Pastry Arts. Although her background is primarily in Pastry Arts, she looks forward to showcasing her knowledge of the savory as well as her intense love of food. With her experience in a wide range of cuisines and kitchen management, Chef Lauren is expected to bring an extraordinary renovation to the Amarillo Club menu and kitchen team.

Misty Howard

Membership Director
misty@amarilloclub.net

Hello Members,

It has been a pleasure meeting you and your families over these past few months. And it has been exciting to see all the new members as they sign up for membership, 190 of you to be exact. The Amarillo Club is a unique and special place in Amarillo. There is no where else like it in the Texas panhandle. If you are like me, you can't help but share about your experiences here. The beautiful skyline, the amazing food, the other members you bump into, and the comradery that you experience while here.

Why keep all of these experiences to ourselves? We want to see the Club reach 900 members by the end of the summer and will be capping off our membership at 1000 members. As Membership Director, I am asking for your help! I have sent each of you 4 invitations to pass out to your family and friends. You can give these away as anniversary gifts, birthday gifts, or just because. You may gift the meal to your guests, or they can pay at the table. The idea is to give them an experience, an experience they just can't live without! If you have any questions, please feel free to give me a call!

Kind Regards,

Misty Howard
Membership Director

Cabernet Sauvignon 2016

The 2016 Cabernet Sauvignon is a blend of 95% Cab Sauvignon, and 5% Petite Sirah. This blend creates the beauty and elegance typical of California Cabernet Sauvignon. The Cab Franc adds a wonderful earthiness and mid-palate spice note that is rounded out by the black and blue berries that come from the touch of Merlot. The dominant profile remains that of the Cab Sauvignon. Sourced from vines ranging around 15 years, we find that the grapes' youth and vitality lend to the strength of character, showcased by richness but not an over-extraction.
