Thank you so much for your interest in having us a part of your wedding day. I'm excited you're here!

I'm an Award-winning and published photographer based in Central Florida specializing in traditional and timeless portraiture. I consider my editing style bright and true to life. And truth be told, I actually earned my B.S Degree in Photography at UCF. Go knights! Personally, I'm a wife and mom. My husband and I got married in 2021 and I understand what it feels like to be a bride (all the ups and downs that accompany planning a wedding). With 10 years of wedding photography experience and being a bride myself, I intend to bring you peace and joy through the art of documenting your wedding. The level of care I put into my photography and the connection I cultivate with my couples is unmatched. I've developed a team of like minded creatives who are also friendly, kind, and skilled. We would love to be apart of your wedding.

Warmly, Erika Grace

We recently had the pleasure of working with Erika Grace Photography for our wedding, and we couldn't be happier with the entire experience. From the moment we met Erika, we knew we were in great hands. Her warm and friendly demeanor immediately put us at ease, and her passion for her craft was evident right from the start.

One of the things that impressed us the most about Erika was her professionalism and attention to detail. She was highly organized and made sure she knew exactly what shots we wanted to have. On the wedding day, she and her second shooter, Angela, seamlessly moved around, capturing every significant moment without being intrusive. They both had an incredible eye for composition and lighting, resulting in photographs that were not only beautiful but also artistic. Erika's upbeat personality made the entire experience even more enjoyable. She was a joy to work with, always making us feel comfortable and relaxed in front of the camera. Her positive energy was contagious, and it added an extra layer of fun to the day. She truly made us feel like we were working with a friend rather than just a photographer.

When we received our wedding photos, we were blown away.

Erika's talent for capturing emotion and creating timeless images truly shone through. Every picture was a masterpiece, and we were able to relive every precious moment through her work. The attention to detail, vibrant colors, and clarity of the photos surpassed our expectations. We highly recommend Erika Grace Photography to anyone in need of a wedding photographer. Erika is not only a talented and skilled photographer but also a wonderful person to have by your side on your special day. Her passion for her work, friendly nature, and ability to capture the essence of love make her an exceptional choice. Trust us, you won't be disappointed! Thank you, Erika, for making our wedding day even more memorable. Your talent and dedication are truly remarkable, and we are forever grateful for the beautiful photographs we will cherish for a lifetime.

The Erika Grace team is first class and represent everything you want in a photography team on your wedding day and then some. Our wedding was at The Balcony Orlando, a venue they are familiar with. From the time they showed up until the end of the wedding, Erika and team did a great job in capturing our vision. They were conscious of the timeline and did everything they could to make us comfortable. I could not recommend Erika and her team enough.

You will not regret booking!

kind words

“Hire Erika and her team!!! We paid for the associate package and had both Rebekah and Angela photographing our wedding and got to work one-on-one with Erika throughout planning and they are the kindest, most professional team. By far, hiring them was one of our biggest wins as far as our wedding goes.

They went above and beyond just getting beautiful photos, they were hype women, coordinators, and checked in throughout the day to make sure we were happy. I cannot wait to see our wedding photos and seriously could not recommend this team enough, I wish I could give more than five stars!”

kind words

Working with Erika as our photographer for our wedding was an amazing experience. We chose her Associate package, having Rebekah and Angela capture our day. We cannot say enough about their professionalism and talent as photographers. They made us feel comfortable all day and we loved how they seemed to be everywhere we were, without being overbearing or too noticeable. The point of contact was Erika herself and her communication was excellent and she is so sweet. We just got back our sneak peek of official photos edited by Erika, and we are absolutely in love. I cannot say enough great things about Erika and her team.

Erika and her team are the BEST. We hired Erika to shoot our engagement photos and absolutely fell in love with her and her photography style. Fast forward a year later, one of Erika's associates (Angela) captured our wedding day for us. They make an absolutely phenomenal team. Angela was so fun to work with on our wedding day and I'm in love with the beautiful photos she captured of our day. I would hire them over and over and over again!
