meet the queen

Hey friends! My name is Brianna and I'm stoked you're here.

You want to know something crazy? I'm a born and raised desert girl to the core. This place has always been my home and while I love to travel my heart will always come back to this sandy slice of paradise.

I love the desert, supporting the local community and showing others the beauty here in Palm Springs.

Since I'm a local Palm Springs photographer I also tell my clients that I'm their personal tour guide since I know this place like the back of my hand.

You're in luck because the next 10 pages are full of my favorite spots to sit back, relax and soak up in the sun.

Ready to get started? Let's go!

A romantic couple is shown in a close embrace outdoors. The woman, with long, wavy blonde hair, is wearing a white lace crop top and blue jeans. The man, with short brown hair and a beard, is wearing a teal short-sleeved button-down shirt and blue jeans. They are standing on a paved path, with a row of palm trees and a hazy mountain range in the background. The lighting is warm and golden, suggesting late afternoon or sunset. The overall mood is intimate and romantic.
