*home!*

What is one thing you notice about the leaves on a tree?

How can animals help people?

Time for a rest!  
**Miss a turn!**

What's something people can do to keep animals safe?

How can we help plants stay healthy?

Why is it important to have plants in our garden?

Why do animals like plants?

Why is the sun important for plants?

Time for a rest!  
**Miss a turn!**

step up if you land here!

How do animals and plants help each other?

Time for a rest!  
**Miss a turn!**

What does it mean to take care of nature?

Why do you think animals like trees?

How can we keep our garden clean?

Time for a rest!  
**Miss a turn!**

Name 3 things you like about nature.

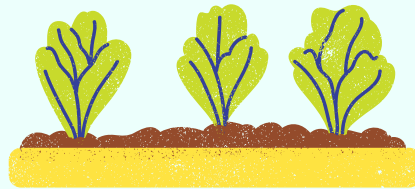

Can you think of a way animals help plants?

Can you name something that plants give us?

What would happen if plants didn't have water?

How can we make a garden safe for animals?

What animal would you like to see in our Indigenous garden?

Why do people need plants?

Can you name something that both plants and animals need?

What are 5 plants you see around our school?

How do animals find food?

Can you name one animal that lives in Alberta?

What do plants need to grow big and strong?

*start!*

step up if you land here!

Help froggy get home to his parents.

Use the lilies to jump ahead, but watch out for snakes!

If you land on a snake, slide back down.
