WEDDING & ELOPEMENT

Documenting your dream day

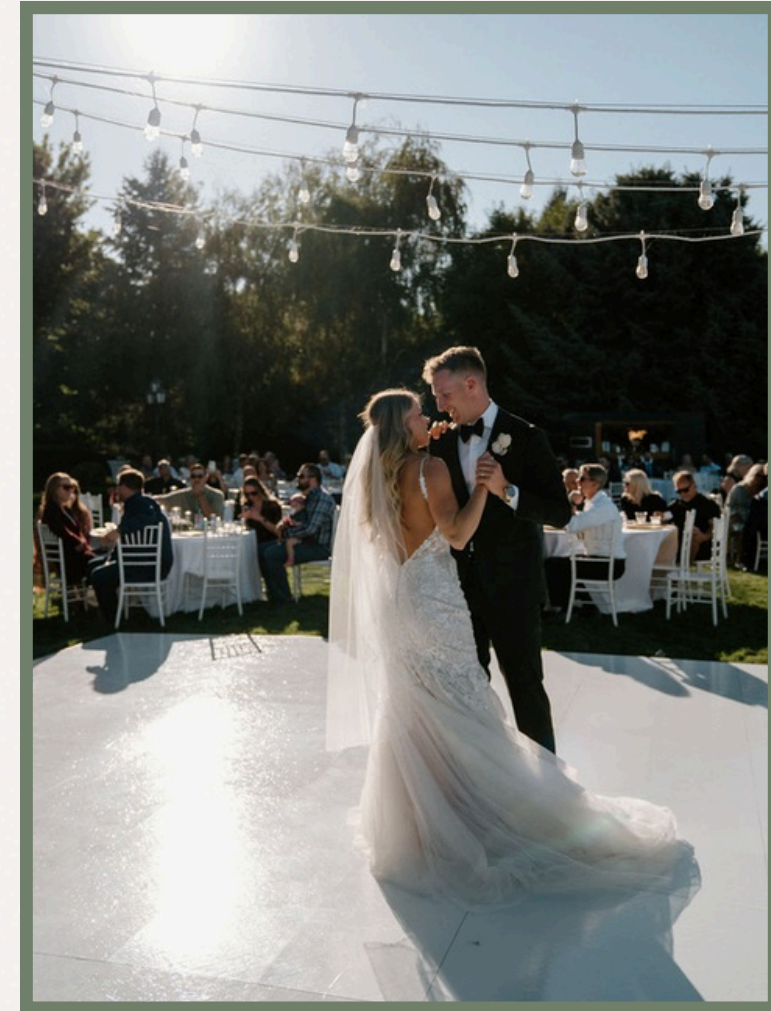

HI FRIEND!

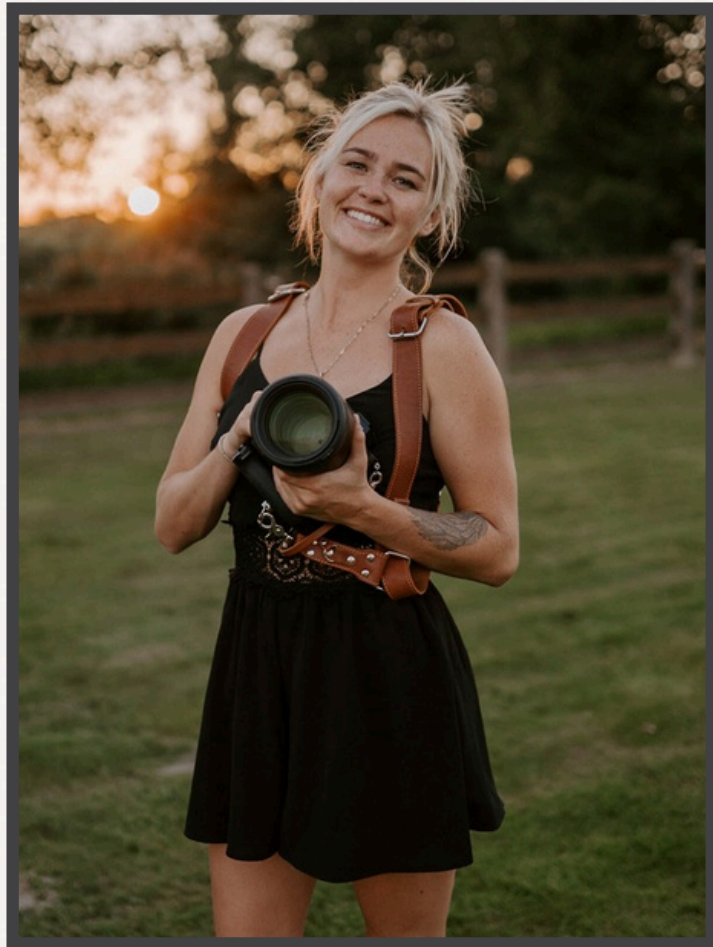

I AM SO EXCITED YOU'RE READING THIS!

*This is an outline of my pricing, and a glimpse into the experience
you will get with me! Let's see if we are a good match!*

There is no event too big or too small to document and you will never regret having pictures to look back on. Photography has been a passion of mine for as long as I can remember, but I never realized just how important it was until I lost my brother. After experiencing such loss and wishing I had more photos with my loved ones I have lost, I decided to turn that desire into motivation and to help others not have those same regrets! So here I am years later wanting to capture YOU and make sure you have photos that you will forever cherish, and when you look at them I want them to take right back to the moment it was taken. I'm excited to capture and preserve your story in a timeless and authentic way, given the opportunity!

MEET LUTISHA

I'm Lutisha Owens, a Central Washington based photographer who's obsessed with that feeling photos that mean something bring.

Welcome! I am so glad you found your way to me! When I am not perfecting a photo album or working for my family business, there's a good chance I'm either spending time with my husband and our three beautiful babies, or we are with our big family making memories, as they are my WHY for everything I do in life.

Growing up in a small town surrounded by mountains, lakes, forests and endless trails has given me the biggest appreciation to call the PNW home. Being able to raise my family where I grew up is a huge blessing I don't take for granted, and the love I have with my family and my home is where I find my biggest inspiration in documenting for other people.

My love for photography started at a young age. Mostly taking random selfies with friends or pictures of mushrooms and flowers, I never realized those silly pictures would turn into what it has. I specialize in anything and everything love. Through natural lighting and effortless posing prompts, I want to capture every moment and emotion in a way that is authentic to you. From couples to family photos, wherever there's love I'm happiest snapping away.

*LUTISHA WAS THE BEST
PHOTOGRAPHER I COULD HAVE EVER
IMAGINED WORKING WITH ON MY
WEDDING DAY*

I remember pulling up to the venue in my wedding dress crazy nervous, when she greeted me with the biggest smile and warmest regards! When I needed something, Lutisha offered to help and oh my gosh did she help me so much! Throughout the night, Lutisha went above and beyond.. she absolutely exceeded all of my expectations. She goes the extra mile for her clients and is a great communicator. Lutisha was the best photographer I could have ever imagined working with on my wedding day.

LUTISHA, IT IS HARD TO FIND THE WORDS TO DESCRIBE HOW GREAT YOUR IMPACT WAS ON OUR DAY.

You went above and beyond what I could have even anticipated. Your organizational skills are impeccable. The fact that you knew the timeline like the back of your hand helped bring such an ease to my mind. We had no clue how this was going to work as we are typically the planners/does of our friend group so it was a little hard to imagine relinquishing that power to help keep us in the moment. Then you walked it, and it was all alright. You are direct but patient, firm yet kind, and truly a pleasure to be around.

Thank you for taking things into your own hands to take them out of ours. It really did help us sit in the moment and enjoy our day. Thank you for being your honest and true self. Your confidence in yourself and your work exudes through you and it makes working with you so easy. Like “damn she’s got this so I’ve got nothing to worry about”. We were so grateful we had somebody so deeply on our team when we had just met in person for the first time. Thank you again!

FAMILY FOR LIFE!*

Lutisha has been our photographer for our maternity, engagement and our wedding photos. She is easy going, fun to work with and delivers the most incredible photos of your most memorable moments. After my wedding I had multiple people tell me they loved my photographer and that she was so kind and easy to talk to. I recommend her to anyone wanting someone that thinks their photos through and goes with the flow of your personalities. She will photograph our family for life!

FREQUENTLY ASKED QUESTIONS

DO YOU TRAVEL?

Yes! Traveling has always been a passion near and dear to my heart. Let's talk more and make it happen! Travel costs are not included in above prices. If I travel further than 30 miles from my home location, a travel fee may be applied.

DO YOU DO PAYMENT PLANS?

Absolutely. I am more than happy to work with you on a payment plan to make sure we can make this work and happen for you! These moments aren't meant to be stressful, so let's talk!

HOW MANY IMAGES CAN WE EXPECT?

For weddings you can expect 100+ photos per hour. For couple and family sessions you can expect 55+ Photos!

CAN WE SEE A FULL WEDDING OR PORTRAIT GALLERY?

ABSOLUTELY! Just ask :)

I DON'T KNOW HOW TO POSE IN PHOTOS - HELP!

Posing is the last thing I want you worrying about. I offer all sorts of posing prompts to create effortless, natural movement to capture who YOU truly are! Don't worry, it will be fun!

WHEN WILL WE RECEIVE OUR PHOTOS?

You can expect sneak peaks in 24-72 hours. For my hour sessions its a 4-6 week turn around for your entire album. For weddings it is a 8-12 week turn around for your entire album!

DO YOU BRING BACKUP GEAR?

Yes I do!

WHAT DO WE DO IF IT'S RAINING AT OUR SESSION?

I pay attention to weather the week leading up to your shoot. If it is calling for rain I will give you an option to reschedule! Shooting in the rain is fun though, and I am happy to do it!

DO WE NEED A SECOND SHOOTER?

This is totally up to you! I typically work alone but am more than happy to have a second shooter to help get other angles and other pictures throughout the event!

CAN WE MEET YOU BEFORE OUR WEDDING?

Absolutely, I would love to get to know you on more of a personal level that is not only through a screen. But if a screen is our only option I am just as happy to do that and will be thrilled to meet you on your special day!! We can also FaceTime!

WHAT SHOULD WE WEAR FOR OUR PHOTOS?

The most important thing you can do is wear something you feel good and confident in! I am happy to talk outfit ideas, just send me a message!

I'VE NEVER DONE THIS WHOLE WEDDING THING, ANY ADVICE FOR GETTING THE BEST PHOTOS OUT OF MY DAY?

Don't stress about getting the perfect photos or perfect poses, leave that up to me! After all it is my job :) I do recommend creating a Pinterest board, get an idea for what you like and show you partner so you don't feel completely unknowing of what to expect! You can share it with me as well so I know if you have any specific pictures you want, so I can make it happy. We will also talk more leading up to your big day and make a photo list of must haves for family, friends and the couple!
