a new era for THE LITTLE PAPER SHOP

PAPERING STYLISH WEDDINGS APLENTY SINCE 2014

PAPERGREENCREATIVE.COM

CUSTOMER TESTIMONIAL

We had our invites designed by Paper Green Creative.

We received so much help and advice while picking the perfect ones!
We were so happy with them and it was a really easy, stress-free process. The
quality of the invites were amazing.

The team are so professional and helpful - thank you again!

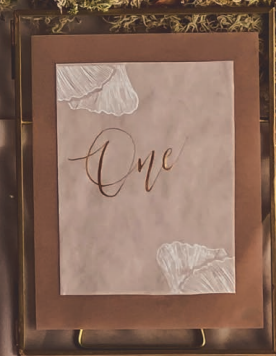

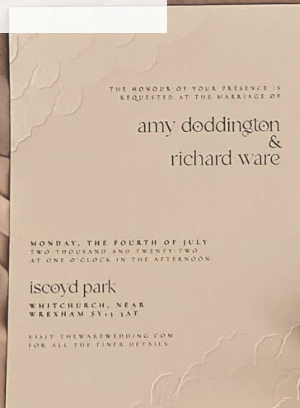

KIRRA BAKER

HEY THERE

IT'S NICE TO MEET YOU!

Not your average design studio, PGC is a creative female force based in the beautiful market town of Nantwich, in Cheshire.

Run by Creative Director Cara Green, her passion and illustrative approach crafts thoughtful and unique designs to wow and delight your wedding guests - from the first Save the Date landing on their doormat, all the way through to the creative stationery masterpieces that elevate your wedding day decor to another level!

WEDDING STATIONERY

ON THE DAY

We don't just create beautiful designs for your wedding invitations!

Cara has you covered for everything you could need on the day of your wedding.

From table plans and Orders of Service, through to special touches to style your tablescapes.

HOUSE COLLECTION

Our distinctive and stylish wedding stationery House Collection is sure to wow your guests and set the tone for your Big Day - whatever your style as a couple!

Our House Collection designs are semi-customisable; allowing your individual style to shine through.

BESPOKE

Perfect for the design savvy couple who are looking for that next level of detail.

Our fully bespoke design service means that your wedding stationery is designed entirely from scratch and crammed with exquisite touches to reflect you and your wedding.

GO BESPOKE

HOW IT WORKS

STEP 1

THE INITIAL MEETING

Meet with Cara virtually from the comfort of your own home to discuss your ideas and start the process of exploring your individual stationery style with the benefit of her decade of industry experience guiding you. Purchase one of our comprehensive sample packs for the ultimate design planning experience - redeemable against your order.

Following the meeting, you'll then receive an overview of ideas and costs for you to consider following the meeting - taking the hassle away from planning your wedding stationery budget.

STEP 2

DESIGN

Next up, you'll be invited to join your own private online design collaboration board, where Cara will guide you through the process of compiling your invitation information, showcase your designs for review and where you can chat directly in an easy-to-use online environment - so that you're both involved with everything she creates. You can even upload any inspiration images as reference!

STEP 3

PRINTING & DELIVERY

Your stationery will be professionally printed to the highest quality, before being carefully assembled and quality checked. We'll then package it all together beautifully to give you a wonderful opening experience upon delivery!

CUSTOMER TESTIMONIAL

"From the first draft we got through for our invites we knew your amazing work was for us. We have received so many comments on the invites, menus and order of ceremonies you did for us. Your packaging is beautiful, your designs are perfect, and the care and professional nature of you and your staff is exceptional.

Thanks for all you did!

MR & MRS ELLIS

MEET CARA

CARA GREEN
CREATIVE DIRECTOR

Cara launched her paper studio back in 2014, inspired by the design work she created for her own Big Day that had all the guests raving.

After spending the last decade building one of the leading event stationery studios in the North West, creating beautiful and unique designs for 100's of discerning couples across the UK and internationally, she's now returned back to her creative roots - with a focus on designing and printing beautiful artisanal stationery for luxury, stylish weddings and events.

In addition to event stationery, Cara also works with businesses to develop branding and websites that help achieve their goals and ambitions - with thoughtful and beautiful designs at their core always.
