"HPMKT is a highlight of my year! It's where so many talented designers and friends gather to share ideas, learn and get a head start on the coming season. There is so much to be said for staying on top of each new collection at a market where designers come together as a community."

"HPMKT is an essential part of the heartbeat of our business. Seeing fresh, new product keeps us constantly inspired. We long to waltz through the doors of HPMKT and lay our eyes on the beautiful pieces that have yet to be seen by the public. Our favorite part is hearing from industry colleagues about upcoming trends, business management and more! We look forward to HPMKT every year and cannot wait to get back."

"HPMKT, I dream of the day I can walk through your dazzling halls full of interior wonders. It is a luxury to see, touch and be informed about the latest trends. It inspires our designs and helps us transform homes into ones clients relish and appreciate. HPMKT, you have also helped strengthen and create relationships that are so vital to my business. For all of this, I am forever committed to you."

"I have been attending HPMKT for years and am always excited to find new suppliers and products. Meeting the owners and designers of featured collections gets me excited to use their products in my designs. Another benefit of attending HPMKT is experiencing everything in a vendor's line. Rarely can we see every finish and sit on every seat in a showroom. It is a fun learning experience that benefits me and my clients throughout the year."
