A: Exclusive venue access is provided for 8 hours, from 4:00 pm to 12:00 am. Vendor access is 5 hours prior to the package timeframe i.e. 11:00am. Extended access on either end is available on request but is limited to one hour after the venue close time noted above and must be approved in writing by the Hangar Venue Team and is subject to hourly rental fees. Note that tables and chairs will not be pre-set and will only be set up when the catering and decor team arrives on site.

Q: WHAT IS THE LOAD IN/LOAD OUT PROCESS?

Q: ARE THERE ANY AIRPORT-RELATED ACCESS RULES WE SHOULD BE AWARE OF?

A: Yes, all patrons and vendors must follow the designated path along the hangar door and must not walk across the tarmac/apron. Airport operations and aircraft have the right of way. It is essential to adhere to all instructions provided by The Hangar Venue's representatives and not approach or cross in front of any moving aircraft. Absolutely no food and drink is allowed on the tarmac at any time.

Frequently Asked Questions

Q: CAN WE OPEN THE HANGAR BAY DOOR?

A: As a general rule, the Hangar Bay Door must remain closed as it opens into an active airspace, which can cause disruptive noise and wind to both the event and airport operations. Special consideration for opening the door during an event temporarily can be made on a case-by-case basis with prior written approval from the Hangar Venue team.

Q: WHAT IS THE SMOKING AND VAPING POLICY?

A: Smoking and Vaping are strictly prohibited within the airport area. Smoking and vaping are only permitted in the designated area within the parking lot. Please ensure proper disposal of waste.

Q: WILL THERE BE TECH SUPPORT AVAILABLE?

A: The Hangar Venue representatives do not provide support for equipment, including computers, audio/visual equipment, or lighting components. It is highly recommended that DJs and AV teams arrange a site visit prior to the event day to ensure compatibility and familiarity with the venue's system to avoid troubleshooting on the day of the event.

Frequently Asked Questions

Q: CAN I STORE ITEMS OVERNIGHT?

A: No additional storage is allowed on the premises. All decor and equipment must be set up and removed on the booking date and within booked venue hours unless otherwise specified in writing by the Hangar Venue team.

Q: CAN WE USE A SCISSOR LIFT TO HANG DECOR?

A: Our lift is available for an additional hourly fee and can only be operated by our certified staff. Hanging decor is not allowed for liability purposes.

Q: ARE THERE ANY RESTRICTIONS WITH REGARD TO DECOR?

A: The renter, guests, and vendors are not allowed to use nails, pins, tape, or any materials that may harm the finishing of the facility unless otherwise agreed by The Hangar Venue. Confetti and other airborne debris are strictly prohibited as it may be a risk to other guests, aircraft, or property. Balloons are to remain inside the facility as they can cause significant risk to air traffic. If used, helium balloons must be filled inside, and the hangar door will be required to remain closed for the duration of the booking. Glitter will be subject to additional cleaning fees.

A: Yes, but must be contained within holders or glass.
