

**IMPORTANT NOTE: You'll see a red DOT in the file. Please read it carefully before using our template.**

Hey, lovely!

Thank you so much for downloading our Influencer Media Kit template! I truly am so grateful and so excited to see how this template will help you grow your brand.

Just a few notes on using your template that I'd love to share:

We ask that you do not redistribute or resell this template under any circumstances. These downloads take time to create and are done so with you in mind!

To download the template, you must first have a Canva account. These are free and easy to grab at [www.canva.com](http://www.canva.com).

**IMPORTANT:** Once you access the Canva template, you *must* save a copy to your account to use. When the template opens, click "file" in the top left corner and click "make a copy."

Once you've created an account, simply visit the link below and you'll be able to edit the images, change the text and colors, and download.
