

## Non- Refundable Reservation List Agreement

Full Name:

Address:

Email:

Phone Number:

In order for your \$500 non-refundable deposit reservation list fee to be accepted, please agree to the following terms:

1. The total cost for a Cavalier King Charles Spaniel puppy is \$3,200. The \$500 deposit will go towards the final price. Total price must be paid in full by the 7-8 week mark after their vet exams.
2. If I decide I want to wait until the next litter to purchase a puppy, my deposit can transfer up to a total of two times. After that, I am not entitled to any refund but can place a new deposit for the next litters to come. In order to do this, I must let the breeder know by the 6 week mark if I choose to transfer.

3. If the dam does not get pregnant or there is an unfortunate loss of my selected puppy, or the puppy fails their veterinarian exam at 7-8 weeks, I have a right to receive a full refund or choose to transfer it to the next litter.
4. I understand puppy picks are done in order of deposit after their temperament testing (6 weeks of age).
5. I agree to be responsible for all costs associated with picking up the puppy by 9-10 weeks. Puppies must be picked up between 9-10 weeks unless a written agreement is made between buyer and breeder for boarding. I understand there will be a daily charge of \$30/day if I need to board a puppy beyond the 10 week mark. I must let the breeder know by the 6th week mark if these are my plans. Boarding is not guaranteed so it is my responsibility to communicate with the breeder on scheduling.
6. Deposit is accepted through Zelle or Venmo. Venmo is @Diana-Alm (last 4 digits of number 9488). Payment for puppy is accepted through Zelle, Venmo, or cash. Venmo is preferred for payments but you may need to split the payments up.
7. I have read and agreed to Emerald Grove's puppy purchase agreement/contract before signing this deposit contract.

By signing your name below, you agree to the Emerald Grove Puppies terms and conditions regarding the non-refundable reservation fee.
