

AMARILLO CLUB

Procedure for Reciprocity Use

Amarillo Club is proud to offer ClubBenefits to our members. If you are interested in visiting a ClubCorp property, visit www.clubbenefitsonline.com for a complete, up-to-date listing. To make reservations, simply call the ClubLine at 1-800-433-5079. The ClubLine is your Member Concierge and is open Monday – Saturday, 7 a.m.-7 p.m. CST.

If you wish to visit a club in our original network of more than 70 reciprocal clubs across the country listed here, please contact the Amarillo Club's Membership/Marketing Director, prior to your visit. Amarillo Club will fax and/or e-mail a "Letter of Introduction" to the Reciprocal Club stating that a member of our Club would like to exercise their reciprocal privileges. The member will receive a copy of the letter to carry with them when they visit the reciprocal club.

The member is responsible for making and canceling their own reservations. The member also is responsible for inquiring about the reciprocal club's billing procedure. Most clubs in our original network listed here will bill the Amarillo Club and then your membership will be billed. Some clubs will require payment before you leave. Still, other clubs will give you a valid pass for several days' usage with payment at the end of the visit. If you have any questions about your reciprocity privileges, please call Amarillo Club at (806) 373-4361 or e-mail membership@amarilloclub.net.
