GO BESPOKE

HOW IT WORKS

STEP 1

THE INITIAL MEETING

We meet our couple at the studio (or over Skype if preferred) to discuss their ideas and start the process of exploring their individual stationery style with our expert designers. All over a cup of coffee and a piece of cake of course!

We'll then send through an overview of ideas and costs for you to consider following the meeting - taking the hassle away from planning your wedding stationery budget.

STEP 2

DESIGN

We'll invite you to join your own private online design collaboration board, where we'll guide you through the process of compiling your invitation information, showcase your designs for review and where you can chat directly with the design team in an easy-to-use online environment - so that you're both involved with everything we create. You can even upload any inspiration images for us to reference!

STEP 3

PRINTING & DELIVERY

Your stationery will be professionally printed to the highest quality, before being carefully assembled and quality checked. We'll then package it all together beautifully to give you a wonderful opening experience upon delivery!

CUSTOMER TESTIMONIAL

"From the first draft we got through for our invites we knew your amazing work was for us. We have received so many comments on the invites, menus and order of ceremonies you did for us. Your packaging is beautiful, your designs are perfect, and the care and professional nature of you and your staff is exceptional.

Thanks for all you did!

MEET THE TEAM

CARA GREEN CREATIVE DIRECTOR

The Boss! Cara formed TLPS back in 2014, after creating design work for her own Big Day that had all the guests raving.

A former award-winning photojournalist, if Cara's not leading the team to create inspiring and beautiful designs, then she's usually out photographing our lovely customers!

LEILA DODD SENIOR SHOP & STUDIO ASSISTANT

Super organised, our smiley Leila is the one that keeps Paper HQ running smoothly - and full to the brim of gorgeous paper and design-based goodies!

A bit of a Shopify superstar, Leila ensures that TLPS.com looks fabulous at all times, and that our lovely customers are well cared for.

EMMA ALLEN SENIOR DESIGNER

Our fabulously talented designer Emma is a bit of a whizz on Procreate, and delights our customers with her modern, illustrative style!

A recent First Class Fine Art graduate, Emma's penchant for botanical illustration is loved by our wedding stationery customers in particular.

ELLA SWINDLEY DESIGN APPRENTICE

Our lovely Ella is our first official design apprentice at Paper HQ, and is currently trailblazing her way to a Creative Design degree - oh, and and her bubbly, cheery self is adored by both the team and our customers!

Uber creative, she's often found working on custom art print orders, wedding stationery designs - or putting her very meticulous eye to good use when packaging up our customer's invitation suites to perfection.
