## THE UPDATE

RECLAIM YOUR LIFE AND STYLE

SPRING | 2017 | SUMMER

“

WHEN A WOMAN  
SAYS, "I HAVE NOTHING  
TO WEAR", WHAT SHE  
REALLY MEANS IS,  
"THERE'S NOTHING  
FOR WHO I AM  
SUPPOSED TO BE  
TODAY."

”

- CAITLIN MORAN

## EDITOR'S NOTE

Each and everyone of us go through the challenges of life on a daily basis. From stresses and strifes to changes and transitions. All of us struggle to find the right balance and no where is that more evident than in the way we dress.

How we feel on the inside is what we often reflect on the outside. There is no greater opportunity than Spring time to hit the reset button and refresh not just your wardrobe but your outlook on life.

In this issue, I quickly get to the point with the dominating trends of the season.

Every wardrobe should be anchored with neutral basics, but it's the fashion items we choose, that truly brings your personal style to life.

I'm very excited to share with you, all the amazing trends from my travels spanning from London to Toronto. Nothing brings me more joy than highlighting how to mix and match your existing wardrobe with new finds and chic silhouettes.

So sit back, and quickly flip through our pages, and don't hesitate to contact me if you need my assistance.

Enjoy,
