As a Medical Aesthetician and longtime skincare fanatic, Natalie has spent years searching for the best products for balanced and healthy skin. Here are some of her favorites! Click the links to shop the products.

## GENTLE FOAMING CLEANSER

USE MORNING & NIGHT

A universal cleanser that suits so many skin types and conditions. Deeply cleanses without stripping vital oils or changing the pH in your skin.

## BALANCING TONER

USE MORNING AND NIGHT AFTER CLEANSING.

Removes any traces of dirt, oil and makeup and other surface impurities gently without damaging the skin or causing unnecessary dryness. A concentrated blend of botanical extracts and humectants refine texture and give the skin a surge of moisture.

## MULTIVITAMIN SERUM

USE MORNING OR NIGHT AFTER TONER

A complete multivitamin for your skin with fast results. Intense Defense Serum is a highly advanced anti-aging serum using botanical sources of Vitamins A, B, C, D and E for healthier-looking skin. Clinically proven to visibly improve the signs of skin aging better than leading professional-strength serums.

## RENEWAL EYE CREAM

USE MORNING & NIGHT

Hydrates, de-puffs, refines fine lines and wrinkles. Repairs the skin barrier - which is very thin and delicate around the eyes. You need so little of this product so it lasts a while! I also love that it comes in a pump and not a jar. It's VERY hydrating and you can use it on your undereyes and eyelids.

## RENEWAL FACIAL CREAM

USE MORNING & NIGHT AFTER SERUM

Repairs your vital moisture barrier and helps block inflammation in your skin. Adds a hydration that lasts. Helps refine fine lines and wrinkles. Use it both morning & night after applying your serum.

## ENRICHED FIRMING MASK

USE 3X A WEEK AS A TREATMENT

Very hydrating and calming especially on redness! Can be used as a 10min mask, or overnight as a sleeping mask.
