A majority of the Committee may designate one or more representatives to act for it and such representatives shall have the full right, authority, and power to carry out the functions of the Committee.

Section 3. Replacement. Any member of the Committee may be removed, with or without cause, by the Declarant. In the event of death or resignation of any member or members of said Committee, the Declarant shall appoint its successor member or members, and until such successor member or members shall have been so appointed, the remaining member or members shall have full authority to approve or disapprove plans, specifications and plat plans submitted or to designate a representative with like authority. In the event the Declarant fails to appoint successor members, the Board shall make such appointments. Upon the sale of the last Lot owned by the Declarant, the Board shall succeed to all rights of the Declarant as to appointment and removal of the Committee under this Article.

Section 4. Minimum Construction Standards. The Committee may from time to time promulgate an outline of minimum acceptable construction standards; provided, however, that such outline will serve as a minimum guideline and may be amended from time to time. The purpose of the Committee is to protect the environmental and architectural integrity of the Subdivision. No building, fence, wall, or other structure or improvement of any nature shall be placed, constructed, erected, or maintained on any Lot, nor shall any exterior addition to or change or alteration therein be made until the construction plans and specifications for the same shall have been submitted to and approved in writing by the Committee as to (a) conformity and harmony of external design, coloration, and location in relation to surrounding structures and topography, and (b) quality of workmanship and materials. Any plans and specifications to be submitted shall specify, in such form as the Committee may reasonably require, the location upon the Lot where the improvements are to be placed and the dimensions thereof as well as appropriate information concerning the structural, mechanical, electrical and plumbing details and the nature, kind, shape, height, color scheme, and materials of the proposed improvements or alterations.

Section 5. Committee Approval. Any approval or disapproval by the Committee or its designated representatives on any of the above matters shall be in writing and either conveyed in person or U. S. Mail, postage prepaid. In the event said Committee or its designated representatives fail to approve or disapprove such design and location within sixty (60) days after said plans and specifications have been submitted to it, then such plans and specifications shall be deemed disapproved. The Committee shall have the right, exercisable at its discretion, to grant variances to the architectural restrictions in specific instances where the Committee in good faith deems that such variance does not adversely affect the architectural and environmental integrity of the Subdivision or the common scheme of the development. If the Committee shall approve a request for variance, the

Committee may evidence such approval, grant its permission for such variance, only by written instrument, addressed to the Owner of the Lot(s) relative to which such variance has been requested, describing the applicable restrictive covenant(s) and the particular variance requested, expressing the decision of the Committee to permit the variance, describing (when applicable) the conditions on which the variance has been approved and signed by majority of the then members of the Committee. If any such variances are granted, no violation of the provisions hereof shall be deemed to have occurred with respect to the matter for which the variance is granted; however, the granting of a variance shall not operate to waive any of the provisions hereof for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall the granting of any variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the Lots and with the Subdivision Plat. Failure by the Committee to respond within sixty (60) days to a request for a variance shall operate as denial of the variance.

Section 6. Disclaimer. No approval of plans and specifications and no publication or designation of architectural standards shall ever be construed as representing or implying that such plans specifications will result in a properly designed structure or satisfy any legal requirements. Further, no person exercising any prerogative of approval or disapproval by the Committee shall incur any liability by reason of the good faith exercise thereof.

Section 7. No Implied Waiver or Estoppel. No action or failure to act by the Committee or by the Board of Directors shall constitute a waiver or estoppel with respect to future action by the Committee or Board of Directors with respect to the construction of any improvements within the Subdivision. Specifically, the approval by the Committee or Board of Directors of any such residential construction shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar residential construction or any similar proposals, plans, specifications, or other materials submitted with respect to any other residential construction by such person or other Owner.

Section 8. Non-Liability for Committee Action. No member of the Committee, the Association Board of Directors, their successors or assigns, or the Declarant shall be liable for any loss, damage or injury arising out of or in any way connected with the performance of the duties of the Committee. The Committee's approval of any improvement shall not imply approval of the improvement from the standpoint of safety, whether structural or otherwise, or a determination of compliance with building codes or other governmental laws or regulations.

ARTICLE V CHILDRESS RANCH HOMEOWNERS ASSOCIATION, INC.

Section 1. Organization. The Association shall be organized as a non-profit corporation or other entity under the laws of the State of Texas. The purpose of the Association in general shall be to provide for and promote the health, safety, and welfare to the Members, to collect the assessment charges, to administer the maintenance fund, to provide for the maintenance, repair, preservation, upkeep and protection of the common areas and

facilities of the Subdivision and such other purposes as are stated in the certificate of formation or other governing document of the Association which shall be consistent with the provisions of the Declaration, Plat of Childress Ranch Estates, and supplements and amendments to the Declaration and Plat of Childress Ranch Estates. The Board may adopt rules and regulations for the Property as it deems appropriate and consistent with the Restrictions.

Section 2. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in a Lot which is a part of the Subdivision, including contract sellers, shall hold a membership in the Association. The foregoing is not intended to include persons or entities who hold an interest in a Lot merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Ownership of a Lot shall be the sole qualification for membership. Any mortgagee or lienholder who acquires title to any Lot which is a part of the Subdivision, through judicial or non-judicial foreclosure, shall be a Member of the Association.

Section 3. Board of Directors. The Association shall act through a Board of Directors who will manage the affairs of the Association as specified in the Bylaws of the Association. The Declarant shall name and select the initial members of the Board of Directors.

Section 4. Voting Rights. There shall be two classes of membership entitled to voting rights in the Association with respect to the Subdivision and they shall be as follows:

(a) Class A. All Owners other than Declarant, shall be considered Class A Members, and for each Lot owned shall be entitled to one (1) vote on each matter coming before the Members at any meeting or otherwise, unless their voting rights have been suspended by the Board of Directors. When a particular Lot is owned by more than one individual or entity, all the individuals or entities holding an ownership interest in that Lot shall be entitled to a total of no more than one vote on each matter coming before the Members at any meeting or otherwise. The vote for such Lot shall be exercised as they among themselves determine. No cumulative voting shall be permitted.

(b) Class B. Class B Members shall be the Declarant, and for such Lot owned it shall be entitled to ten (10) votes per Lot on each matter coming before the Members at any meeting or otherwise. . All Class B Membership with respect to the Subdivision shall cease and be automatically converted into Class A Membership on the happening of any of the following events, whichever occurs earlier:

- (i) When the total number of votes entitled to be cast by the Class A Members, with respect to the Subdivision, at any meeting of the Members or otherwise, equals the total number or votes entitled to be cast by the Class B Member, with respect to the Subdivision;
- (ii) January 1, 2043; or
- (iii) At such earlier time as the Class B Member, in its sole discretion,

shall elect.

(c) Notwithstanding the voting rights within the Association, until the Declarant no longer owns record title to any Lot or the twentieth (20th) anniversary of the date this Declaration was recorded in the Office of the County Clerk of Washington County, Texas, whichever occurs first in time, the Association shall take no action with respect to any matter whatsoever without the prior written consent of the Declarant.

ARTICLE VI ASSESSMENT CHARGES

Section 1. Childress Ranch Estates - Assessment. Commencing with the year beginning January 1, 2024, and each year thereafter, each Member shall pay to the Association an annual maintenance assessment in such amount as set by the Board of Directors, at its annual meeting next preceding such January 1, 2024, and each successive January 1 thereafter.

Section 2. Rate. Subject to the provisions of this Article VI, the rate of annual maintenance assessments may be increased by the Board. The Board may, after consideration of current maintenance, operational and other costs and the future needs of the Association, fix the annual maintenance assessments for any year at a lesser amount than that of the previous year. An increase in the rate of the annual maintenance assessments as authorized herein in excess of twenty percent (20%) of the preceding year's annual maintenance assessments must be approved by a majority of the Members. When the annual maintenance assessment is computed for all Lots, all or a portion of such annual maintenance assessment shall be payable to the Association by the Member according to the status of the Lot owned by such Member as follows:

(i) As to a Lot owned by a Class A Member, the full annual maintenance assessment shall be payable.

(ii) As to a Lot owned by a Class B Member, no assessments shall be paid or required.

Notwithstanding the foregoing for a period of twenty (20) years after the date hereof or until the expiration of the Development Period, whichever occurs first, at Declarant's option, Declarant shall not be required to pay any assessments with respect to any Lot owned by Declarant which has not been improved with a completed dwelling structure thereon; provided, however, that in the event Declarant elects not to pay any such assessments during such period for so long as Declarant is the Owner of any Lot, Declarant may subsidize the Association to the extent, determined by budgets approved by the Association to be necessary to cover all net operating losses incurred by the Association in the operation or maintenance of the Properties, but Declarant shall not be required to subsidize the Association in an amount in excess of the assessments which Declarant would otherwise have been required to pay hereunder. If Declarant subsidizes the Association, all of such

excess amounts shall, at the option of Declarant, constitute loans from Declarant to the Association which shall be payable by the Association to Declarant on demand, but shall not accrue interest. After the expiration of such period, Declarant shall be required to pay assessments in accordance with the provisions hereof, but Declarant shall not be required to subsidize the Association in an amount in excess of the assessments which Declarant would otherwise have been required to pay hereunder.

The initial annual maintenance assessment chargeable against Lots, excluding those owned by Declarant, is \$1,500.00 per year.

The Board of Directors may provide that annual maintenance assessments shall be paid quarter-annually, semi-annually or annually on a calendar year basis. Not later than thirty (30) days prior to the beginning of each fiscal year of the Association, the Board shall (i) estimate the total common expenses to be incurred by the Association for the forthcoming fiscal year, (ii) determine, in a manner consistent with the terms and provisions of this Declaration, the amount of the annual maintenance assessments to be paid by each Member, and (iii) establish the date of commencement of the annual maintenance assessments. Written notice of the annual maintenance assessments to be paid by each Member and the date of commencement thereof shall be sent to every Member, but only to one (1) joint Owner. Each Member shall thereafter pay to the Association his annual maintenance assessment in such manner as determined by the Board of Directors.

The annual maintenance assessments may include reasonable amounts, as determined by the Members or by the Board, collected as reserves for the future periodic maintenance, repair and/or replacement of all or a portion of the Properties and/or for fulfillment of future obligations of the Association. All amounts collected as reserves, whether pursuant to Article or otherwise, shall be deposited in a separate bank account to be held in trust for the purposes for which they were collected and are to be segregated from and not commingled with any other funds of the Association. Assessments collected as reserves shall not be considered to be advance payments of regular annual maintenance assessments.

Section 3. Collection after Default by Purchase. It is specifically stated and agreed that any Lot sold to persons or entities by the Declarant by contract for sale of land, or deed with lien and note, or other instrument and the purchaser defaults in the contract or note payments in any manner and said Lot is repossessed, foreclosed or such contract canceled by Declarant, its successors or assigns, the Association will release its right to collect the past due maintenance charges, assessments and penalties on such Lots from the Declarant. Nothing herein contained shall relieve the purchaser in default from whom the Lot was repossessed from his personal obligation to pay such delinquent charges, assessments and penalties to the Association.

Section 4. Special Capital Assessments and Special Individual Assessments.

(a) In addition to the annual maintenance assessments authorized in this Article, the Board of Directors of the Association may levy in any assessment year a special capital

assessment for the purpose of (i) defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement upon the Properties, including the necessary fixtures and personal property related thereto (ii) maintaining' portions of the Properties and improvements thereon, or (iii) carrying out other purposes of the Association; provided, however, that any such special capital assessment levied by the Association shall have the approval of at least a majority of the Members. Any special capital assessment levied by the Association shall be paid by the Members directly to the Association on such date or dates as determined by the Board of Directors.

(b) The Board of Directors of the Association may levy special individual capital assessments against one or more Owners for (i) reimbursement to the Association of the costs for repairs to the Properties and improvements thereto occasioned by the willful or negligent acts of such Owner or Owners and not ordinary wear and tear; or (ii) for payment of fines, penalties or other charges imposed against an Owner or Owners relative to such Owner's failure to comply with the terms and provisions of this Declaration, the Bylaws of the Association or any rules or regulation promulgated hereunder. Any special individual assessment levied by the Association shall be paid by the Owner or Owners directly to the Association.

Section 5. Uniform Rate of Annual Maintenance Assessments and Special Capital Assessments. Other than as specifically set forth above for special individual assessments, both annual maintenance assessments and special capital assessments (excepting therefrom special individual capital assessments) must be fixed at a uniform rate for all Lots, and be payable as set forth herein.

Section 6. Date of Commencement of Assessments; Due Dates; No Offsets. The annual maintenance assessments provided for herein shall commence on the date fixed by the Board of Directors to be the date of commencement and, except as hereinafter provided, shall be payable quarter-annually, semi-annually or annually, in advance, on the first day of each payment period thereafter, as the case may be and as the Board of Directors shall direct. The first annual maintenance assessment shall be made for the balance of the calendar year in which it is levied. The amount of the annual maintenance assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual maintenance assessment provided above as the remaining number of months in that year bears to twelve; provided, however, that if the date of commencement falls on other than the first day of a month, the annual maintenance assessment for such month shall be prorated by the number of days remaining in the month. The due date or dates, if to be paid in installments, of any special capital assessment or special individual assessment under shall be fixed in the respective resolution authorizing such assessment. Annual maintenance, special capital and special individual assessments may be established, collected and enforced by the Declarant at any time prior to the incorporation of the Association. All assessments shall be payable in the amount specified by the Association and no offsets against such amount shall be permitted for any reason.

Section 7. Duties of the Board of Directors with Respect to Assessments.

(a) The Board of Directors shall fix the date of commencement and the amount of the annual maintenance assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner upon no less than 48 hours notice, at such Owner's sole cost and expense, during normal business hours.

(b) Written notice of all assessments shall be delivered or mailed to every Owner at the address of the Lot owned by such Owner unless an alternate address is provided to the Association in writing specifically directing the Association where such notices are to be delivered. Each Owner is also required to provide the Association with the name of any tenant residing in the residence situated on the Lot owned by such Owner.

(c) The omission of the Board of Directors to fix the assessments within the time period set forth above for any year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay the assessments, or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

Section 8. Non-Payment of Assessment.

(a) Delinquency. Any assessment, or installment thereof, which is not paid in full when due shall be delinquent on the day following the due date (herein, "delinquency date") as specified in the notice of such Assessment. The Association shall have the right to reject partial payment of an assessment and demand full payment thereof. If any Assessment or part thereof is not paid within ten (10) days after the delinquency date, the unpaid amount of such Assessment shall bear interest from and after the delinquency date until paid at a rate equal to the lesser of (i) eighteen percent (18%) per annum or (ii) the maximum lawful rate. In addition to the foregoing, if any assessment remains unpaid at the expiration of fifteen (15) days after the due date established by the Board, a late charge in the amount of \$25.00 may be assessed against the non-paying Owner for each month that any portion of any assessment remains unpaid. A service charge in the amount of \$25.00-\$35.00, plus any applicable bank charges or fees, shall be charged for each check that is returned because of insufficient funds. The amounts of late charges and service charges may be adjusted, from time to time, by the Board consistent with any changes in the amounts of regular or special assessments.

(b) Lien. The unpaid amount of any assessment not paid by the delinquency date is and shall be, together with the late fees, interest, and the cost of collection thereof, including reasonable attorneys' fees, a continuing debt, secured by, and there is hereby impressed upon and created against each Lot, a lien and charge on the Lot of the non-paying Owner, which shall bind such Lot in the hands of the Owner, and his heirs, executors, administrators, devisees, personal representatives, successors and assigns. The lien shall be superior to all other liens and charges against the Lot, except only for tax liens and the lien of any bona fide first mortgage or first deed of trust now or hereafter placed upon such

Lot. A subsequent sale or assignment of the Lot shall not relieve the Owner from liability for any assessment made prior to the date of sale or assignment and thereafter becoming due nor from the lien of any such assessment. The Board shall have the power to subordinate the lien securing the payment of any assessment rendered by the Association to any other lien. Such power shall be entirely discretionary with the Board. As hereinbefore stated, the personal obligation of the Owner incurred at the time of such assessment to pay such assessment shall remain the personal obligation of such Owner and shall not pass to such Owner's successors in title unless expressly assumed by them in writing. Liens for unpaid assessments shall not be affected by any sale or assignment of a Lot and shall continue in full force and effect. No Owner may exempt himself from liability for such assessments or waive or otherwise escape liability for the assessments by non-use of the common areas or abandonment of his Lot.

To evidence any lien, the Association shall prepare a written notice of lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot covered by such lien. Such notice shall be executed by one of the officers of the Association and shall be recorded in the Office of the County Clerk of Washington County, Texas.

(c) Remedies. The lien securing the payment of all assessments described herein shall attach to the Lot belonging to such non-paying Owner upon recordation of this Declaration with the priority set forth in this Section. Subsequent to the recording of a notice of the lien, the Association may institute an action at law against the Owner or Owners personally obligated to pay the assessment and/or for the foreclosure of the aforesaid lien. In any foreclosure proceeding the Owner shall be required to pay the costs, expenses and reasonable attorneys' fees incurred by the Association. In the event an action at law is instituted against the Owner or Owners personally obligated to pay the assessment there shall be added to the amount of any such assessment: (i) the interest provided in this Section, (ii) the costs of preparing and filing the complaint in such action, (iii) the reasonable attorneys' fees incurred in connection with such action, and (iv) any other costs of collection; and in the event a judgment is obtained, such judgment shall include interest on the assessment as provided in this section and a reasonable attorneys' fee to be fixed by the court, together with the costs of the action.

Each Owner, by acceptance of a deed to a Lot, hereby expressly vests in the Association or its agents or trustees the right and power to bring all actions against such Owner personally for the collection of such charges as a debt, and to enforce the aforesaid liens by all methods available for the enforcement of such liens, including non-judicial foreclosure pursuant to Section 51.002 of the Texas Property Code, and such Owner hereby expressly grants to the Association the private power of sale in connection with said liens.

(d) Notice to Mortgagees. The Association may, and upon the written request of any mortgagee holding a prior lien on any part of the Properties shall, report to said mortgagee any assessments remaining unpaid for longer than thirty (30) days after the delinquency date of such assessment.

(e) Notice to Owners. Notwithstanding anything to the contrary contained in this Declaration, before the Association may suspend an Owner's right to use common areas, file a suit against an Owner other than a suit to collect the regular maintenance assessments or any special assessment or foreclosure under a lien granted to the Association, charge an Owner for property damage or levy a fine for a violation of the restrictions or bylaws or rules of the Association, the Association or its agent shall give written notice to the Owner in accordance with Section 209.006 of the Texas Residential Property Owners Protection Act.

Section 9. Subordination of the Lien to Mortgages. The lien securing the payment of the assessments described herein shall be subordinate and inferior to the lien of any bona fide first lien mortgage or deed of trust now or hereafter recorded against any Lot; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale, whether public or private, of such property pursuant to the terms and conditions of any such mortgage or deed of trust. Such sale shall not relieve the new Owner of such Lot from liability for the amount of any assessment thereafter becoming due nor from the lien securing the payment of any subsequent assessment.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens herein:

(a) All properties dedicated and accepted by the local public authority and devoted to public use.

(b) All common areas.

Section 11. Estoppel Information from Board with Respect to Assessments. The Board shall upon demand at any time furnish to any Owner liable for an assessment, such Owner's agent, a title company or such title company's agent, a resale certificate signed by an officer or agent of the Association, setting forth whether said assessment has been paid and any and all other information requested and to which such parties are entitled under Section 207 of the Texas Property Code. The Association and/or its agent may charge a reasonable fee to assemble, copy, and deliver the information required by Section 207 of the Texas Property Code and may charge a reasonable fee to prepare and deliver an update of any resale certificate.

Section 12. Transfer Fees and Fees for Issuance of Resale Certificates. The Association may, at its sole discretion, enter into contracts with third parties to oversee the daily operation and management of the Association. These third parties may, and probably will, have fees, which will be charged to an Owner for the transfer of a significant estate or fee simple title to a Lot and the issuance of a resale certificate. Transfer fees and fees for the issuance of a resale certificate are not refundable and may not be regarded as a prepayment of or credit against annual maintenance assessments or special capital assessments. This section does not obligate the Association or any third party to levy such fees.

**ARTICLE VII
GENERAL PROVISIONS**

Section 1. Term. This Declaration shall run with the land and shall be binding upon all parties and persons claiming under them for a period of forty (40) years from the date the Declaration is recorded at which time said Declaration shall be automatically extended for successive periods of ten (10) years each.

Section 2. Amendment. This Declaration may be amended at any time after the expiration of ten (10) years from the date hereof by the vote of sixty-seven percent (67%) of the then Owners of the Lots. Such amendment shall be incorporated in an instrument executed and acknowledged by the President and Vice President of the Association confirming the approval of sixty-seven (67%) of the Lot Owners and shall become effective when such instrument is duly filed for record.

Section 3. Enforcement. The Association, the Architectural Control Committee or any Lot Owner is authorized to prosecute proceedings at law or in equity against any person or persons violating or attempting to violate any part of this Declaration and to prevent him or them from doing so and/or to recover damages or other dues for such violations. The Declarant also reserves the right to enforce these restrictions.

Section 4. Severability. Invalidation of any one of these restrictions by judgment or further court order shall in no way affect any of the other provisions.

Section 5. Merger and Subdivision of Lots. Upon application in writing by an Owner or Owners of adjoining Lots, the Committee may authorize the merger of adjoining Lots; provided, however, such merger or subdivision shall be in accordance with these Declarations, including provisions which may further regulate the merger or subdivision. No merger or subdivision of Lots shall be allowed unless approved by the Committee. The Committee's decision shall be final. Such plats and plans as may be necessary to show the merger of Lots shall be thereafter prepared at the expense of the requesting Owner or Owners, who shall additionally be responsible for all costs, including legal fees, associated with the merger or subdivision of such Lots. In addition, the side Lot utility easement, if any, must be abandoned or released in accordance with applicable law. The Committee may impose conditions for use of the merged or subdivided Lots as a condition precedent to granting approval of such a merger or subdivision. From and after the time a merger or subdivision of Lots is approved, such Lots shall, for all purposes, be considered Lots in accordance with their new boundaries.

Section 6. Development Period. A Development Period, as such term is described in the Texas Property Code, shall remain in effect until January 1, 2044. The Declarant may assign some, but not all, of its rights during the Development Period to the Board of Directors by written and signed instrument.

Section 7. Amendment by Declarant. During the time Declarant is the Owner of two (2) or more Lots, the Declarant may amend or change this Declaration without the joinder of any

Owner or any other party.
