Who is Nurse Alice?

“Nurse Alice” Benjamin is a mom, wellness advocate, media personality, and entrepreneur. Specializing in cardiovascular health, she’s a nationally board certified and award-winning Clinical Nurse Specialist with over 20 years experience. Known affectionally as America’s Favorite Nurse, she makes it her business to keep her finger on America’s pulse.

A self-care advocate and unabashed ice cream lover, she teaches the importance of a balanced, happy life. It’s not just treating yourself to a day at the spa or trying a fad diet, it’s making healthy choices daily to counter the effects of emotional and physical stressors. Nurse Alice challenges her followers to start making lifestyle changes today for a better, healthier tomorrow.
