2020 IN REVIEW

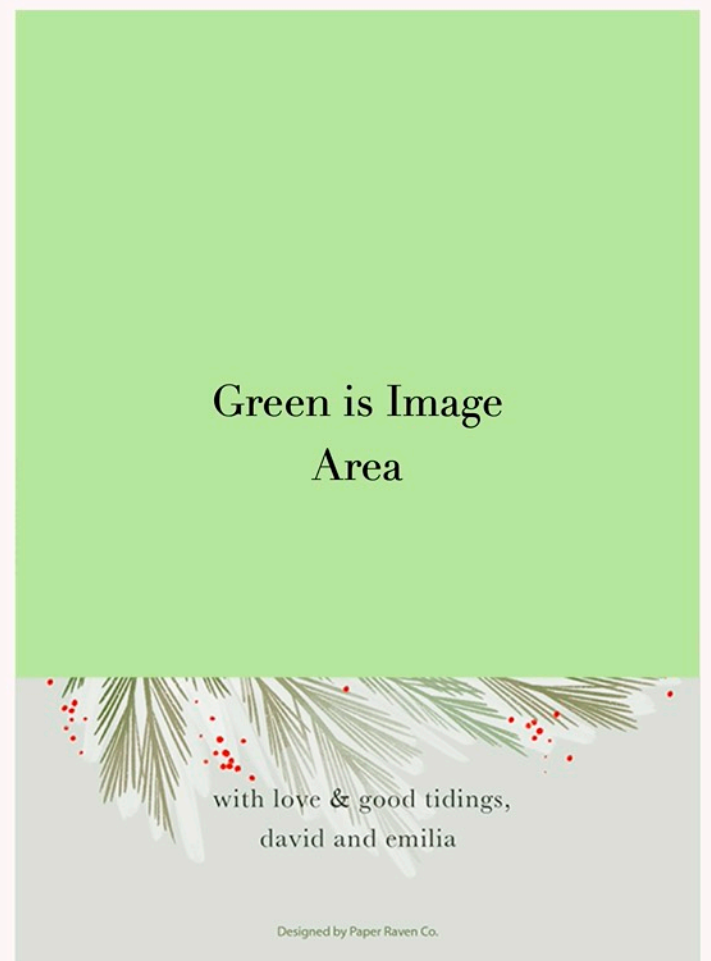

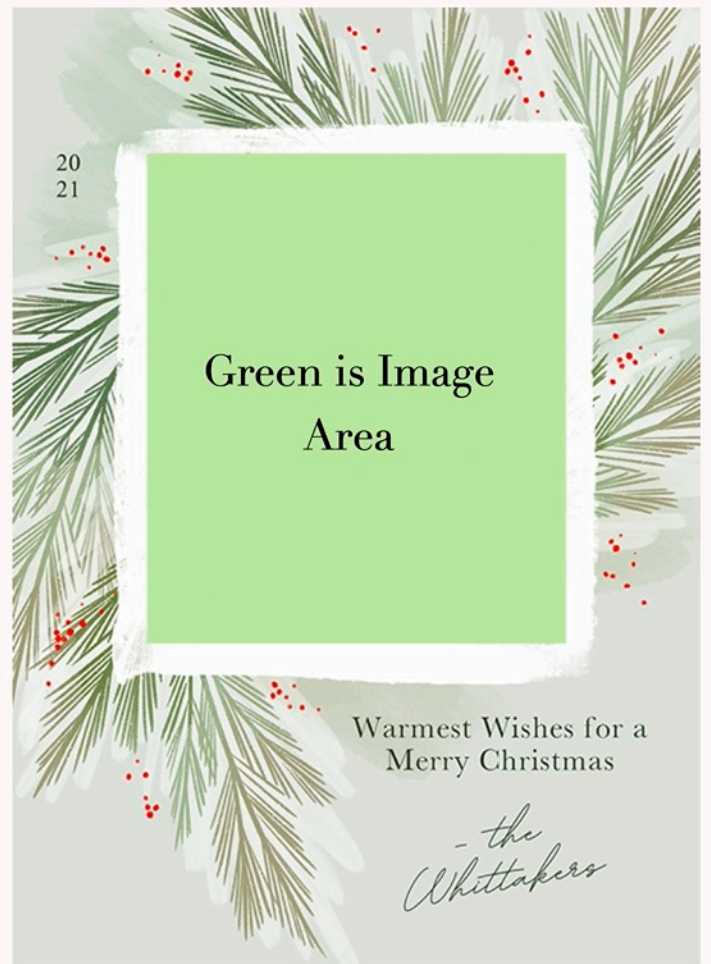

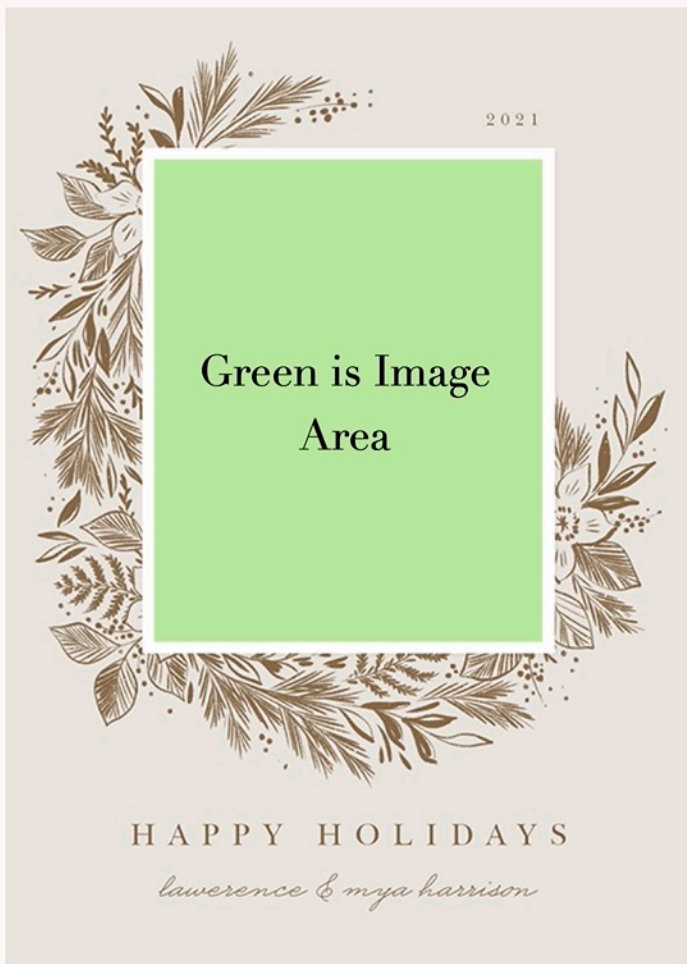

What a year! We have been staying down in Florida for the last three months avoiding all that cold weather in Minnesota. We have been helping with the grandkids and every day is a blessing to be around them. Luckily the beach is free and open all the time. Hope your holidays are wonderful and a Happy New Year to you!

In August, Brandon took a job with Chase in New York. Jake started preschool and Trevor excelled in her last year of middle school. Amy continues to consult from home and the entire family is settling in nicely to our new home. We hope you'll find time for a visit in 2022!

100 Hugs.
