

CAPSULE *LUXE*

CURATED *catalogue*

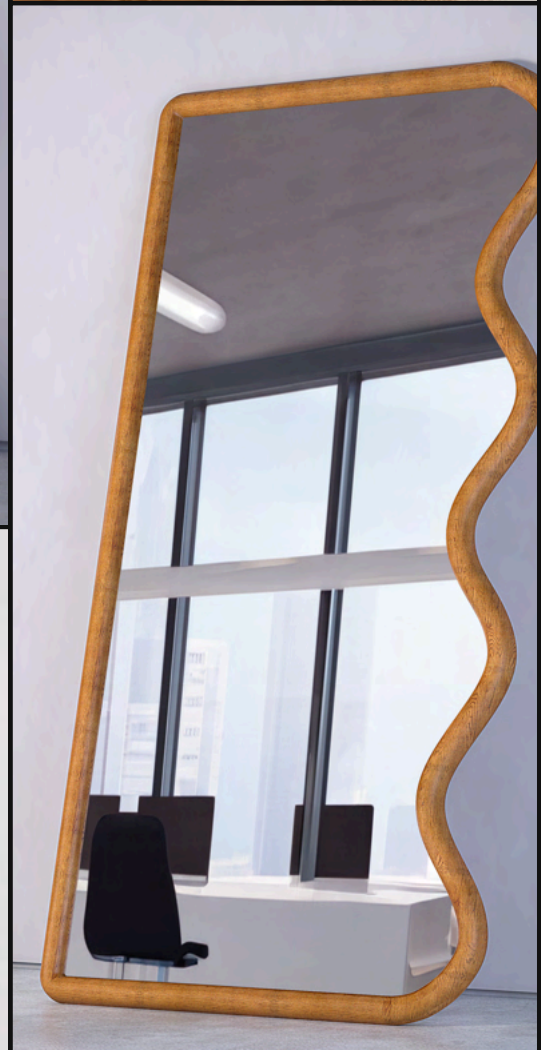

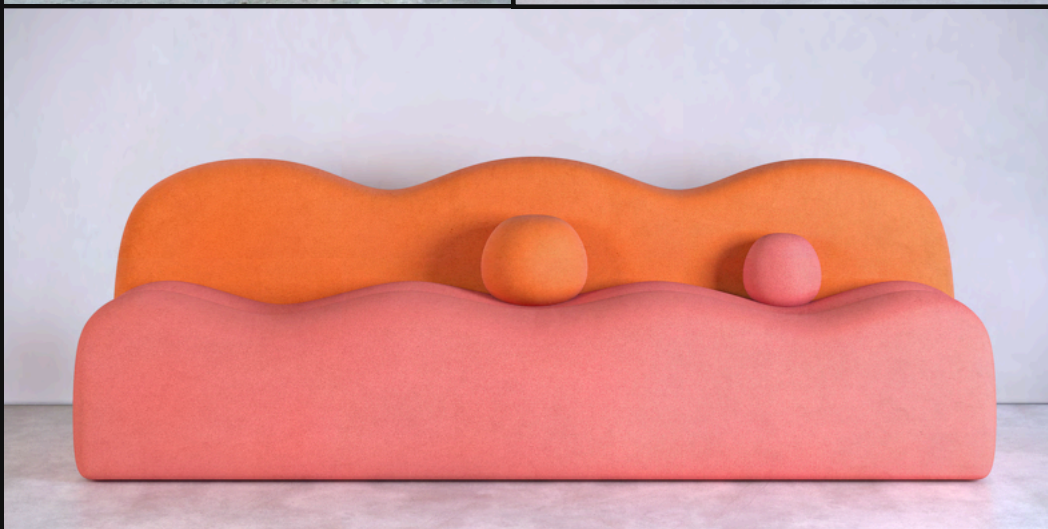

THIS IS JUST THE *beginning*

Whilst this catalogue showcases a curated collection of what we can design and source, it's only the beginning. Every piece you see is a glimpse into what's possible — but at Capsule Luxe, we don't do limits.

We specialize in bringing bold visions to life, whether that means custom-building something from scratch or sourcing the unexpected to perfectly complete your space.

Your space deserves furniture as original and iconic as the vision behind it. If you can dream it, we can design it — and we'll work closely with you to create pieces that elevate your interiors beyond what you thought possible. Let's bring your vision to life — and then push it further.
