## A LETTER FROM THE CARANCI FAMILY

Last fall, our lives changed forever when Dante was taken from us in a tragic school bus crossing accident in Lambeth. The loss of a child is something no family should ever have to face, and there are no words that fully capture the depth of our grief.

Dante loved deeply, laughed easily, and brought light into every room he entered. He loved his family, his friends, and above all, he loved hockey. The rink was a place where he felt confident, connected, and happy, and it gave him a sense of belonging.

In the midst of our heartbreak, we felt a deep need to honour Dante in a way that reflected who he was — kind, generous, playful, and full of life. The Dante Caranci Foundation was created as a way to channel our grief into action, ensuring that Dante's name continues to stand for compassion, community, and the joy of sport.

Through our Foundation, we hope to help children experience the same confidence, teamwork, and happiness that sports gave Dante, while also offering support to families who are navigating the unimaginable loss of a child. This work is deeply personal to us, and it is guided by Dante's spirit every step of the way.

Seeing our community come together in Dante's honour has been incredibly moving. Every act of support, every shared memory, and every child given the opportunity to play is a reminder that Dante's light continues to shine.

To our potential sponsors and partners,

We invite you to learn more about our Inaugural 3v3 Memorial Hockey Tournament, in honour of Dante, taking place on February 13 & 14, 2026 at the Snipe Academy in London, Ontario.

Your generosity and involvement would mean more to us than we can express. By standing with us, you are helping transform loss into hope and ensuring that Dante's legacy lives on in a meaningful and lasting act.

We hope to welcome you to this exciting event in honour of our son, Dante.

Sincerely,

The Caranci Family
