Checklist

We want you to succeed!

We've identified the best things you can do to set yourself up for maximum success with Growth Getters. So go ahead and start working your way through the checklist. And don't worry, there's no hurry. Take your time and complete each task at your own pace.

1 Watch the Welcome Video and Membership Tour Video on The Growth Getters "Start Here" Page. Don't skip this step. It will help you get the most out of your coaching membership.

2 Watch the Foundation Framework series (scroll down on Welcome Page). Take your time and work through them as you go. Knowing who your customer is, their problem, how you solve it, and your revenue streams (even if you already think you know), is going to help with everything else.

3 Go watch our Productivity Boost Training, print The GG Daily Planner, and start using it immediately. You're going to see your productivity go up instantly with our GG Daily Planner.

4 Schedule your Intro Call with your Accountability Coach (you will find this on the Scheduling Page). Come with your first big goal in mind and what steps you think you'll need to take to make it happen.

6 Make your growth a priority! Schedule time to work ON your business with Growth Getters. Otherwise, all the day to day stuff IN your business will take over your schedule.

7 Commit to your success! You made the decision to join Growth Getters because you want more. Simplify your Big Goal from page 2 of this workbook into 1 sentence.
